Buried Alive: The Startling Truth about Neanderthal Man GR 12-COL #1061

Jack Cuozzo. The author, an orthodontist, studied actual Neanderthal remains in Europe. His findings indicate that not all that has been presented about Neanderthals is based on observed facts and the normal process of scientific inquiry! Reads more like a novel than like a scientific treatise, but some parts are technical. Hard to put down! 1998 349 pg.

Buried Alive; the Truth about Neanderthal Man HS-COL #2066

Jack Cuozzo, James Kennedy. This orthodontist studied Neanderthal remains first-hand, and found evidence that they were intelligent, artistic, had beliefs about the after-life, and lived much longer than we! Also, their skulls were displayed in a museum with dislocated jaws, creating an ape-like appearance. Evolutionist scientists, upon hearing of his creationist interpretations, tried to stop his research. The Cuozzo family then had difficulty getting out of Europe alive! 1999

By Design: Evidence for Nature's Intelligent Designer--the God of the Bible GR 9-COL #1126

Jonathan Sarfati. "... Presents case after case for amazing design in the living world, and demolishes theories of chemical evolution of the first life. Yet ..., he is up-front about the truth of the Bible. This enables him to refute many anti-design arguments, and answer the key question: 'Who is the Designer?'" 2008 260 pg.

Can a Cool Christian Chill with Evolution? GR 5-8 #5205

***Christian Roots of Science ~The GR 8-COL #5204**

Jonathan Sarfati. Learn how the Christian worldview provided the assumptions required for the development of the scientific method itself and multiple advances in scientific knowledge, and how the "Dark Ages" were an age of technological advances. Also discusses the truth about Galileo, and about the myth of belief in a flat earth. 52 min.

Christians in a Scientific World (Units 1-8) GR 11-COL #2062

Thomas Baurain. Radio Bible class on Genesis chapters 1-11, taught by a former research chemist. These are the first 4 of 8 tapes, containing the first 8 of 16 sessions. This replaces half of #2002. 45 min/side

Christians in a Scientific World (Units 9-16) GR 11-COL #2063

Thomas Baurain. Radio Bible class on Genesis chapters 1-11, taught by a former research chemist. These are the last 4 of 8 tapes, containing the last 8 of 16 sessions. This replaces half of #2002. 45 min/side

Church & State GR 8-COL #2059

D. James Kennedy. Sermons on what the Founding Fathers meant by their wording of the 1st Amendment, and its mis-interpretation by the 20th century Supreme Court. 2 x 25 min.

City of the Bees GR 4-COL #6006

Irwin Moon. "God's design for man and bees is worlds apart...yet you can learn lessons from the bees which point to God's design for human relationships." Stresses complexity and perfection of bees' instincts. 1962 28 min.

Claws, Jaws, and Dinosaurs GR 9-COL #1105

William Gibbons, Kent Hovind. Bill Gibbons searches the world for animals thought extinct or non-existent, such as dinosaurs and dodos. Historical and recent evidence for the Loch Ness Monster, sea serpents and dragons, gigantic snakes and birds, Bigfoot, pterosaurs. 1999 72 pg.

Cliff the Sea Cucumber/Betsy Honeybee GR 3-6 #2013

Bob Devine. Uncle Bob interviews a deep-sea animal, found far down in the ocean and in the fossil record, and a honey bee.

Climate Change and Creation GR 10-COL #5121

John Mackay. A Biblical and scientific view of climate change. Topics: Is man causing global warming? Is it global warming, climate change, or tax revenue? What was weather like at creation, and how has it changed? Effects of the Flood. What does the Bible say about God's role in weather, and future weather? Polar bears and extinction. 2007 60 min.

Closer Look at the Evidence ~A GR 7-COL #1106

Richard & Tina Kleiss. One page per day (365 days) of fascinating evidences for creation and the Bible's accuracy. Snippets are from all areas of science. Also contains a topical index and bibliography. 2004 365+ pg.

Clown-Faced Carpenter/Journey to the Stars/Water Water Everywhere GR 2-6 #5048

Narrated. 3 films shortened (10 min. each) from adult-level titles. (Moody): "Watch the woodpecker at work--providing food for many animals during bleak winter months. Explore the vast reaches of space, from the sun to beyond the reaches of the Milky Way." "...and gain an appreciation for earth's most vital substance..." 1985 30 min.

Clown-Faced Carpenter/Journey to the Stars/Water Water Everywhere (GONE. USE DVD #5048) GR 2-6 #6063

Narrated. 3 films shortened (10 min. each) from adult-level titles. (Moody): "Watch the woodpecker at work--providing food for many animals during bleak winter months. Explore the vast reaches of space, from the sun to beyond the reaches of the Milky Way." "...and gain an appreciation for earth's most vital substance..." 1985 30 min.

Code of Life: DNA - Information, and Mutations GR 10-COL #5184

Georgia Purdom. [Explores] the fascinating world of DNA and clearly show[s] that "junk" DNA isn't junk and that mutations and natural selection are headed in the wrong direction, corrupting and decreasing information in DNA making evolution impossible. The origin of such diversity and variability could only be the God of the Bible! 2007 45 min.

***Codes & Creation GR 9-COL #5113**

Calvin Smith. Using still images and computer animation, Calvin explains (using non-scientific language) how the latest scientific discoveries about the building blocks of life, and the intriguing concepts of information theory, militates against the idea of a materialistic origin of the life. Very clear, very powerful! 31 & 38 min.

Coming Transformation of Science ~The GR 11-COL #2039

Phillip E. Johnson. Dr. Johnson is speaking at Covenant College 1996

Common Sense Approach to the Atom HS-COL #6241

David Bergman. Presents a spinning charged ring model of the atom, providing insight into the basic nature of matter and unifying the fundamental forces that hold atoms and molecules together. Tape made at the CRSEF Conference 1999. OK to copy for personal use. 1999 50 min.

Confronting Evolution: Highlights from the Creation Seminar Series GR 6-COL #5209

Kent Hovind. "The best" snippets of many presentations on evidences for creation and a world-wide Flood, with a few other issues thrown in. 2008 2 hours

Controversy: Roots of the Creation/Evolution Conflict ~The HS-COL #2010

Donald Chittick, Chris Fabry. Don Chittick is interviewed on WMBI's "Open Line" radio program for the evidence concerning creation and evolution. He's very knowledgeable, and has an attitude you never need to apologize for. 2 hrs?

Conversion of an Evolutionist ~The HS-COL #6105

John Whitcomb. An unlikely person to become a theologian and creation apologist tells how this happened. 50 min.

Corrections / Answering the detractors GR 7-COL #5101

Ian Juby. Part 19: Responses to detractors, sometimes agreeing with them on points, sometimes not. Part 20: More responses to detractors, on Columbia river flood basalts, polystrate trees, and skeptical claims on Noah's ark. 2008 28/28 min.

Cory Crinoid/Sally the Crab-Eating Seal GR 3-6 #2020

Bob Devine. Crinoids are those fossils you often find in limestone, that look like fish backbones. The flower-like head is usually absent, (probably torn off by violent currents in the Flood). They were thought extinct until Man began to explore the depths of the sea. Sally the Seal has her story for you, too!

Cosmology and a Young World GR 10-COL #6302

Russell Humphreys. A very simplified intro to Humphreys' book "Starlight and Time." During the talk, the video of that book was shown; not reproduced in this video. Compares the Big Bang model to Humphreys' "Time Dilation" model of the origin of the universe. Excellent presentation, but graphics are not great. 2001 90 min. ~

Title - Age Level - Catalog

Cosmos: Created & Young! GR 10-COL #5166

Russell Humphreys, Donn Chapman (host). Four programs from Cornerstone TB's series on evidences for creation. Dr. Humphreys explains details of his Time Dilation theory, and many evidences for a young universe and earth. 116 min.

Countdown to Adventure PRE-GR 3 #6057

Actors. Great photography, sing-along songs, interesting characters. 1991 35 min.

Craters & the Age/History of the Solar System HS-COL #6275

Danny Faulkner. Almost every hard-surfaced body in the solar system has craters. Why? They tell us something about what's been happening in the solar system, especially the moon. Dr. Faulkner is fun to learn from! 2001 90 min.

Created Cosmos GR7-COL #5128

Jason Lisle. Be taken on a journey beyond our solar system to the edge of the known universe. 2007 23 min.

Creation ... A shattering critique of the PBS/NOVA 'Evolution' series GR 8-COL #4013

Jonathan Sarfati, Ken Ham and others. Rebuts the claims of the PBS series 'Evolution.' Intended to be played on a computer. Comprehensive coverage of too many topics to list. Contains over 350 pages of PDF text files, over 40 min. of video (including "From a Frog to a Prince," and over 3 hours of audio. 2001

Creation 101 GR 8-COL #5208

Bruce Malone. Two presentations. 1-Darwinists/atheists will fight to the death for "billions of years" of time, which is essential to evolutionism. Gives many evidences for a recent creation. What's happened as the church has abandoned belief in straightforward interpretation of Scripture. 2-Focuses on geological evidences for a world-wide Flood and recent creation.

Creation and the Last Days GR 8-COL #6078

Ken Ham. Message from 2 Pet 3: in the last days people will deny creation and Noah's flood, and coming judgment by fire. Evidence for creation and against evolution. 1991 52 min.

Creation and the Second Coming HS-COL #1022

Henry Morris Jr.. "To understand the end, you must understand the beginning. Dr. Morris shows how Creation is tied to the Second Coming. The Bible's prophetic writers give key "signs" of the return of Christ. The author shows how each "sign" is an outgrowth of evolutionary thought. 1991 194 pg.

Creation Astronomy: Viewing the Universe Through Biblical Glasses HS-COL #5011

Jason Lisle. Fast-paced overview of evidences for creation in the earth, other planets, moons, galaxies, size of the universe, how the Bible reflects the Laws of Thermodynamics, and more. Discusses the Big Bang model's "Horizon Problem." Excellent videography, graphics edited in, slightly raspy audio. 2004 36 min.

Creation Evangelism HS-COL #6008

Ken Ham. "How to practically use creation evangelism in today's world. Why do the usual evangelistic methods no longer work? How do you reach non-Christians with the Gospel? Does the church need evangelizing? Why is creation important in witnessing?" 1990 61 min.

Creation Evangelism for a Pagan World HS-COL #6009

Ken Ham. Evangelism methods that used to work well, now don't! We're talking to people who have little belief or knowledge of the Bible, and even many Christians don't believe the Bible is true when it speaks of creation! The first 15 minutes are focused on why your children need a solid knowledge of creation; the final 30 minutes are about why non-Christians often need an understanding of creation to understand the Gospel itself. Like the pagan Greeks to whom Paul preached a message that started with creation, modern society doesn't understand where evil comes from, why the crucifixion of Jesus was needed, and what the Gospel is! 50 min.

Creation Evangelism in an Islam-Aware World #5163

David Catchpoole. Terrorist attacks against the West by so-called "Islamic extremists" embolden atheists to cry "religion is bad!", and then they rail against Christianity. In such an environment, how can Christians hope to effectively proclaim the gospel? A crucial key, as examples show, is to face the origins issue head-on, which is foundational to every belief system. 54 min.

Creation Evangelism: Sharing Your Faith GR 8-COL #5122

David Catchpoole. For Catchpoole, the Gospel was foolishness until he realized that evolution failed to explain scientific evidence. When that barrier broke, the Bible was believable. He explains that society does not respond to "just the Gospel," because they believe the Bible itself is unreliable. He challenges us to learn answers to questions regarding the Bible's truthfulness, and use them to take the Gospel to the world. 2010 60 min.

Creation Moments-May 1993 GR 8-COL #2023

Paul Bartz. Twelve 2-minute segments on various topics: language, dandelions, criminal behavior, and many more. 1993 27 min.

Creation of the World ~The GR 10-COL #6301

John Whitcomb. Which is the final authority: science or Scripture? Whitcomb points out that many modern "creationists" reject both evolution AND the Bible's account of creation. Biblical creationism can not be reconciled with evolution, and just being a "creationist" can still leave one headed for Hell. Numerous examples of what Scripture says about origins. Graphics are hard to see. 2001 55 min.

Creation or Evolution: What's the Difference? GR 2-7 #6231

Rick Thompson. Focuses on the differences between creation and evolution. Ventriloquist Rick Thompson converses with Sidney, his "dummy", whose questions are ones we all ask about where we came from, the flood, earth history, dinosaurs, and more. Sidney also sings and entertains with humor. 2000 45 min.

Creation Science with Charlie Liebert GR 7-COL #6220

Russ Bixler, Charles Liebert. Three 30-minute programs, well-illustrated. 1-"Creation or Evolution, Two Science Models," is a good, careful comparison of the 2 models. 2-"Dinosaurs, Created by God" explains the problems with the dino-to-bird model, also. 3-"The Implications of Evolution" proves that worldviews have consequences! 1996 3 x 27 min.

Creation Scientists Answer Their Critics HS-COL #1038

Duane Gish. "...evaluates the major arguments for and against special creation and defends creation scientists against the distorted, inaccurate attacks of evolutionists....a fascinating account of the battle between opposing world views." (per publisher) 1993 460 pg.

Creation Stories | Vestigial Organs GR 9-COL #5104

Jerry Bergman, Dann Chapman (interviewer). 2 programs on one DVD. "Creation Stories": Similarities and differences among creation stories in different cultures. Dr. Bergman argues that the similarities are due to a common origin! The Bible's story stands out as unembellished and believable. "Vestigial Origins": Over 100 organs of the human body were once called "vestigial," useless leftovers from evolutionary ancestors. That 100 is now 0, and recent additions to the list are debunked herein. 30 min. each

Creation vs. Evolution GR 9-COL #4009

Bill Jack. Audio CD - lecture. 2005

Creation, Evolution and Deception GR7-COL #5135

Monty White. For years Dr. White accepted the ideas of theistic evolution, until his faith in those views was challenged! Through his own studies in the lack of evidence for chemical evolution, the fossil records and various dating methods, he became convinced of a literal Genesis and rejected molecules-to-man evolution. 2006 43 min.

Creation/Evolution GR 7-12 #6148

John Dingess vs. Dr. Sandra Steingraber. A creationist scientist (John Dingess, President, Midwest Creation Fellowship) and an evolutionist scientist (?) are interviewed and questioned by the audience on this Chicago TV show for teenagers. 1993 30 min.

Creation/Evolution Historical Perspective ~A HS-COL #6149

Donald Chittick. Evolutionists have freely confessed that science itself was made possible by the Judeo/Christian worldview. Most branches of science were initiated by creationist scientists. So, if creationism has such wonderful evidence as some of us claim, why did most scientists come to reject it? 1992 50 min.

Creation: Facts and Bias HS-COL #6007

Ken Ham. Points out that creationists and evolutionists both tend to be biased, and through those biases see (or refuse to see) facts and logical conclusions. 1986 50 min.

Creation: the Final Proof GR 11-COL #6235

John MacKay. Lively, very understandable lecture concerning how the information in a created object, such as a boomerang or DNA, points to an intelligent Designer. Major focus is DNA. Filmed at Griffith University Fellowship in Australia. 1998 60 min.

Creation: The Story of Life GR 6-COL #4004

A. Asbury, L. Beville, B. Carlisle, A. Chrisman, L. Harris, M. Harris, G. Long, C. Morgan, B. Sprague. Nine Christian musicians present this inspirational album of songs highlighting God's creation of the universe. (Do NOT copy this. Buy it.) 2004

CreationMinute.com (Episodes 1-8) GR 8-COL #5177

Eric Hovind. Eight 1-minute videos on various topics, with "cutting-edge digital technology." Fast-paced; will make you think. (Also available online, no charge!) Might be good as a "commercial" during a series of meetings, good discussion starter. (OK to copy, unedited, for free distribution only.) 2012 1-min. x 8

Creator & Marriage ~The GR 9-COL #4019

John Mackay. AUDIO. Biblical view of marriage. 2001

Creator of the World HS-COL #6095

John C. Whitcomb. Through the Old and New Testaments, Jesus Himself is shown as the Creator of all things! 50 min.

Creator of the World/The Origin of Life ~The HS-COL #2004

John C. Whitcomb. "Creator" emphasizes that Scripture frequently refers to Jesus as the Creator, and discusses His relationship to others in the Trinity. "Origin" stresses that Biblical and scientific evidences concerning creation allow for no form of evolution. 1 cass.

Creatures Do Change But It's Not Evolution GR 9-COL #5197

Don Batten. God created things in a way that thwarts evolutionary storytelling. See how mutations and natural selection contradict evolution, and how microbes-to-microbiologists evolution is impossible. See the incredible workings inside cells with the latest, original, cutting-edge animation showing how cells make proteins. 48 min.

Criterion: Religious Discrimination in America ~The GR 11-COL #1016

Jerry Bergman. Examples of discrimination against religious faith in hiring, admittance to grad schools, etc. Author has been one of its victims. 1984 80 pg.

Critical Thinking GR 9-COL #4008

Bill Jack. Audio CD - lecture. 2005

***D Is for Dinosaur (DVD is #5026) PRE-GR 3 #6086**

Animated. Animated version of the book. Teaches the alphabet with rhyme, focusing on dinosaurs and the Flood. 1992 15 min.

D Is for Dinosaur (VHS is #6086) PRE-GR 3 #5026

Ken & Mally Ham. Animated version of the book. Teaches the alphabet with rhyme, focusing on dinosaurs and the Flood. 2002 15 min.

***Dangerous Journey GR 2-COL #6169**

Animated. Animated version of The Pilgrim's Progress by Bunyan, broken into 9-15 minute segments. Introduces children to the dangers and adventures of committed Christian living. Don't miss! 1985 135 min.

Dangers of Evolution ~The GR 7-COL #6311

Kent Hovind. Throughout history, evolutionary philosophies have taught a "might makes right" attitude, making it possible for dictators to brutalize the masses. Evolution-based teaching is now creating a "New World Order" that will probably serve the Antichrist. (In 2 parts.) [DVD: 5174] 118 min.~

Dangers of Evolution~The GR 6-COL #5174

Kent Hovind. "...reveals the terrible effects that evolutionary beliefs have had on societies throughout history." (Per the producer) (OK to copy, unedited, for free distribution only.) 2012 123 min.

Dark History of Evolution HS-COL #6069

Henry Morris Jr.. Belief in some form of evolution goes back to antiquity. Its results are never positive! Good information, but the presentation is not very lively. 1991 50 min.

Darwin Delusion~The HS-COL #4025

Erwin Lutzer. AUDIO. Four sermons by master preacher Dr. Erwin Lutzer, from January 2010. Titles: The Tale of Two Graves, God's Great Universe, God's First Couple, The Fingerprints of God. Each is about 33-40 minutes long. 2010 4 sermons

Darwin on the Rocks (parts 1 & 2) GR 9 - COL #5123

John Mackay. Beautifully filmed around the world for the 200th Anniversary of Darwin's birth. Mackay and his colleagues show the physical evidences that Darwin was wrong, and the "death before Adam" compromise concept is contrary to the fossils, let alone the Bible. 2009 75 min.

Darwinism: Science or Philosophy? GR 11-COL #6112

Phillip Johnson. Lecture at UC Santa Barbara. Challenges audience to view .. evolution as..philosophy. Discusses 3 viewpoints on Darwinism. Q&A afterwards. 1993 2 hrs.

Darwin's Deadly Legacy: The Chilling Impact of Darwin's Theory of Evolution GR 9-COL #5049

D. James Kennedy. "...looks at the grim social impact of Charles Darwin's idea that all life is the product of time and chance. That theory ... Laid the foundation for genocide in Nazi Germany." Interviews with Ann Coulter, Lee Strobel, Francis Collins, Jonathan Wells, Phillip Johnson, Michael Behe, Ian Taylor, Richard Weikart. 2006 60 min.

Darwin's Leap of Faith GR 12-COL #1067

John Ankerberg, John Weldon. "This reader-friendly guide examines--how Darwin's theory became 'fact'; why evolution is more 'religion' than scientific theory; the major arguments against evolution, including fossil and scientific support; the objective evidence that supports creation; the difference creation makes in who we are and how we live." 1998 392 pg.

***Dating Fossils and Rocks GR 8-COL #6243**

Mike Riddle. Careful, easy-to-follow explanations of Carbon-14 and Potassium-Argon dating methods: how they should work, underlying (false) assumptions of each method, and examples of when they have yielded very inaccurate results. 54 min.

Death of the Dinosaur ~The GR 7-COL #6138

Roger Oakland. "Dinosaur extinction ...seems to fascinate just about everyone. [Their] fossilized remains ... have been found buried ...all over the world, at a time when the climate was subtropical from pole to pole. ...were they destroyed by a global catastrophe...?" The scientific evidences are examined here in a Biblical framework... and they fit! 1992 30 min.

Debate: Creation vs Evolution HS-COL #5087

Design, Death & Suffering GR 7 - COL #5160

Philip Bell. The argument for design seems so compelling, yet so many people don't 'see' it. Why? And if things really were intelligently designed, why the rampant death and suffering in the world? Does the Bible really answer these challenges? Yes! 55 min.

Devolution of Man -- From Skyscrapers to Stone Age ~The GR 11-COL #5077

John Mackay. History of the world through the Biblical record of man's inventions and technology. From the perfection of Creation, through the fallen world, to the new heavens and new earth. What is a primitive man and how do you become one? 2004 50 min.

Did a Good God Make Bad Bugs? GR 9-COL #5076

John Mackay. If God made all living things, why do we have parasitic organisms? Shows how man's choices, and the consequences of Adam's first sin, brought imbalance, sickness and death. Great witnessing tool! 2004 1:06

Did God Create in 6 Literal Days? GR 6-COL #6324

Ken Ham. What's wrong with taking taking the six days of creation as non-literal? Doesn't the word "day" in Genesis 1 have multiple meanings? Ken also discusses the consequences of putting Scripture's authority on the same level as that of finite humans, who have an anti-supernatural bias. 2000 30 min.

Did Neanderthals and Modern Humans Share a Common Gene Pool? GR 10-COL #5037

David A. DeWitt. "Who were the Neanderthals? Dumb brutes or our relatives? Their existence is a challenge to evolutionists and progressive creationists. But geneticist Dr DeWitt shows that Neanderthals were our brothers, descended from the same gene pool as Adam's other descendants." 2003 56 min.

Did Symbiosis Evolve?/Design Demands a Designer HS-COL #2036

Kent Hovind. Symbiosis is the dependence of two organisms on each other for life. It's fairly common. This is taken as evidence that a Creator alone could produce such complexity in nature. 30/30 min.

Digestive System~The [Parts 1&2] GR 6-COL #5191

David Menton. Dr. Menton takes two teens on a teaching-tour through the major systems of the body ...Humorous and insightful talks that leave audiences in hushed awe at the Creator's wisdom. Menton employs anatomical props, models, and microscopic images to teach about God's amazing designs for life. 2011 37/37 mins.

Digging Up the Sin Cities of Sodom & Gomorrah GR 9-COL #6305

Bryant Wood. Contrary to expectations of secular archaeologists, Sodom and Gomorrah have apparently been found! Dr. Wood gives a brief history of archaeological work in the area, and explains how artifacts and data from ancient documents correlate with Genesis. 2001 1 hr.~

Dinosaur Discoveries: Creation, dinosaurs and the Flood K-GR 4 #2030

Dinosaurs and Men HS-COL #6093

John C. Whitcomb. Evolutionists claim that dinosaurs died out about 70 million years ago, and men never saw them. Creationists claim they were created along with man on Day 6 of Creation Week. How can anyone know, when we weren't there? 50 min.

Dinosaurs and the Bible GR 4-8 #1014

David Unfred. "Is the fate of dinosaurs alluded to in the Bible? What changes occurred that made them extinct? Is it possible that there are still some living awaiting discovery?" (HH) Well illustrated. 1990 47 pg.

Dinosaurs and the Bible GR 6-COL #5172

Kent Hovind. "...traces the Biblical and historical references to dinosaurs and includes interviews with people who claim to have seen living dinosaurs." (Per the producer) (OK to copy, unedited, for free distribution only.) 2012 145 min.

Dinosaurs and the Bible GR 6-COL #6246

Gary Parker. Easy-going, humorous presentation, made to students of about junior high age. Covers dinos in the Bible, sizes, what they ate, giantism of life forms in the past, dinos on the ark, climate before and after the Flood, historical sightings of dinos, and the possibility that some still exist. Poor audio, and you might want to adjust the color. 1994 43 min.

Dinosaurs and the Bible GR7-COL #6340

Kent Hovind. Dr. Hovind traces the Biblical and historical references to dinosaurs and interviews people who claim to have seen living dinosaurs. [DVD: 5172] 2002

Dinosaurs by Design GR 6-9 #1026

Duane Gish. Scientific and Biblical questions considered. Lively style of writing, with colored illustrations and photo of 1977 find of dead (apparent) plesiosaur. Maps of findings of dino fossils, per type of dinosaur. 1992 88 pg.

Dinosaurs by Design GR 8-COL #5024

David Menton. Presents evidence that dinosaurs were designed by an Intelligent Designer, and were not the products of slime and chance. Some of this evidence is in the Bible's descriptions of "behemoth" and "leviathan" - probably a sauropod and a marine dinosaur, respectively. 2003 50 min.

Dinosaurs by Design GR 9-COL #6298

David Menton. Presents evidence that dinosaurs were designed by an Intelligent Designer, and were not the products of slime and chance. Some of this evidence is in the Bible's descriptions of "behemoth" and "leviathan" - probably a sauropod and a marine dinosaur, respectively. 2003 50 min.

Dinosaurs In the Bible? GR 6-COL #6323

Ken Ham. Both the Bible and world-wide legends put gigantic reptiles in the world with man, contrary to the assertions of those who believe dinosaurs died millions of years before man existed. Ken says they can be "missionary lizards to a lost world" of today! 2000 30 min.

***Dinosaurs, Genesis & the Gospel PRE-GR 4 #5010**

Ken Ham, Buddy Davis. Ken Ham & Buddy Davis teach myriads of facts, including that dinosaurs are the "dragons" of old, that humans have seen them, and Noah had them on the Ark, so they did NOT die long before humans existed. Original songs, excellent teaching, review questions, and an explanation of the Gospel. Extra material: "Raising Godly Children in an Ungodly World (Cat# 6224). A must-see! 2004 2 x 30 min.

***Dinosaurs: "The Rest of the Tail" GR 3-COL #6229**

John MacKay. MacKay's unique video, filmed around the world, relates features of modern animals to a Biblical interpretation of dinosaurs. Do sharp teeth prove dinosaurs originally ate meat? Were thick skin and sharp spines for defense only? There's more to this tale! 1995 28 min.

Dinosaurs: Missionary Lizards to the Lost World GR 7-12 #6219

Ken Ham. "In this 70-minute video, Ken Ham answers some of the most-asked questions about dinosaurs from a Scriptural framework: Were dinosaurs on the Ark? Are they mentioned in the Bible?" (AIG) 1997 70 min.

Dinosaurs: Those Terrible Lizards GR 4-7 #1001

Duane Gish. Discusses different kinds of dinosaurs, the possibility that some were able to "breathe fire" like the bombardier beetle today, what may have happened to them, and when they lived. Well illustrated. 1977 62 pg.

Dinosaurs: Those Terrible Lizards HS-COL #6076

Duane Gish. Dinosaurs: their nature and origin. Somewhat dull presentation, but good info. 1991 52 min.

Dismantling the Big Bang Gr 12-COL #1115

Alexander Williams, John Hartnett. Fairly readable treatment of technical topics in astronomy and Biblical theology. 2005 346 pg.

Distant Starlight Not a Problem for a Young Universe ~' GR 10-COL #5036

Jason Lisle. The vast universe is an amazing reminder of the awesome power of God! Beyond human comprehension, the universe contains over 100 billion galaxies, each with millions to trillions of stars. Some are so incredibly far away that it has supposedly taken billions of years for their light to reach Earth. Yet, the Bible indicates that the universe is only thousands of years old. How does light from distant galaxies reach Earth within the biblical timescale? 2005 47 min.

***Distinctively Human GR 3-COL #6012**

Narrated. "...journey through the human brain,...witness extraordinary footage from inside a beating human heart...this video reveals how every part of the human body points unmistakably towards the Master Craftsman who created us all." (MIS) 58 min.

Do Animals "Evolve"? GR7-COL #6344

Ken Ham. Explains basic genetic principles that demonstrate that evolution is not possible! Changes do occur, but they are destructive or neutral, not what would be needed for evolution to take place. Natural selection is real, but only selects what has already come into existence. The Bible states that creatures reproduce their own "kind," and science demonstrates it every day!

Dr. Henry M. Morris: A Memorial GR 7-COL #5053

Various. Recorded at the memorial service for the founder of the Institute for Creation Research. Dr. Morris and John Whitcomb co-wrote "The Genesis Flood," credited with jump-starting the modern creationist movement. He was a "bulldog" for Biblical authority, especially in its history in Genesis. 2006 90 min.

Dragons of the Deep GR 10-COL #1117

Carl Wieland, Darrell Wiskur. Gigantic animals of the sea have received much less press than their land counterparts. Sixteen chapters focus on individual types of reptiles, fish, squid, and mammals. Pictures, maps, photos. 2005 77 pg.

Dragons or Dinosaurs? GR7-COL #5144

Presents startling and verifiable evidence that humans walked with dinosaurs. Based on the book of same title by Derek Isaacs. 2010 75 min.

Dry Bones and Other Fossils GR 3-4 #1051

Gary & Mary Parker. Colorful and interesting discussion of fossils and the Genesis Flood. Aimed at small fry, but they may need you to read it to them. 1995 80 pg.

***Dust or Destiny GR 4-COL #6062**

Narrated. Birds that migrate without getting lost, bats' ecolocation, and fish that lay eggs one night a year, on the land, when the tide is exactly right, all point to Someone Who designed the living world! 28 min.

Duties of a Good Soldier GR 9-COL #4007

Bill Jack. Audio CD - lecture. 2005

Dynamic Life: Changes in Living Things GR 10-COL #5021

Carl Wieland. We hear it all the time: "Evolution is happening all around us!" This superb presentation shows clearly that the examples used are actually the opposite of what would support evolution. Both natural selection and mutation fit beautifully within the biblical framework and are powerful tools in support of Genesis. 2005 47 min.

Evidence for Creation HS-COL #6014

Gary Parker. (ICR): "By using ordinary tools of science, logic and observation, Dr. Parker shows we don't need to see the Creator to see evidence for creation." Homology, embryology, woodpecker. 198? 50 min.

Evidence for Creation: Examining the Origin of Planet Earth HS-COL #6135

Roger Oakland. "Examines the basic principles of the Biblical account and shows how it is supported by the facts of biology and geology." MB 1992 60 min.

***Evidence for Noah's Flood ~The GR 11-COL #6232**

John MacKay. The Association of Geology and Earth Sciences at Oxford, UK listened (!) to a creationist geologist give tremendous evidences for a global flood! Student-quality videography with audio problems, but great content and delivery. 1992 120 min.

Evidence for the Global Flood of Noah / The Present Cannot be the Key to the Past GR 7-COL #5093

Ian Juby. Part 3: evidence for a past global flood, and how it relates to the "greatest weapon" ever fashioned against the Bible. Almost all old-earth arguments disintegrate if there has been a global flood. Part 4: Refutes Lyell's mantra that "The present is the key to the past" by pointing to numerous pieces of evidence that demand geologic processes far more energetic than anything seen in modern times. 2008 28/28 min.

Evidence for the Runoff of the Flood Waters on the Earth's Surface HS-COL #6276

Michael Oard. Evidences of the Flood from the shapes and locations of landforms around the earth: mountains, sea mounts, fossils, buttes, missing sediment layers, upended layers that were planed level by runoff water, boulders on mountaintops, rivers through high mountains, canyons, and more. 2001 60 min.

Evidences of a World-Wide Flood from a Study of the Dinosaurs GR 8-COL #6150

Mace Baker. How would dinosaur fossils demonstrate the likelihood of a very large flood? How much sediment does it take to cover a large animal completely, so it fossilizes? Why are the bodies torn to pieces and thrown together? And more! 1992 54 min.

***Evidences: the Record and the Flood HS-COL #6053**

Narrated. Geologic evidence for the worldwide flood. Professionally filmed at Grand Canyon, the Alps, and New Zealand. Graphics and animation. Excellent! 1990 45 min.

Evolution - Science or Religion? HS-COL #6122

Kent Hovind. Debate. Presents evolution as a religion and philosophy, not science. 2 hr.

Evolution and Logical Fallacies: Exposing Weaknesses in the Chain of Reasoning GR7-COL #5154

Dr. Jason Lisle. Dr. Lisle give examples of how evolutionists (and creationists) often use fallacious arguments in arguing for their position. Learning to recognize these fallacies provides a whole new opportunity for defending the faith and contending for the truth of creation. 2009 54 min

Evolution and the Holocaust GR 8-COL #5106

Jonathan Sarfati. How could such an advanced country descent to unspeakable brutality? Evolutionary ideas permeating Germany undermined the sanctity of innocent human life. See a chilling Nazi propaganda clip, "we have sinned against natural selection" by allowing the "unfit" to live. Learn how the abortion and euthanasia lobbies make the same mistake. 2009 39 min.

Evolution and the Wages of Sin HS-COL #6134

John Morris. Evolutionary theory says that things are getting better or going extinct; the Bible says that after the first human sin, things have been getting worse or going extinct. Which scenario do we see in nature today? Why would a loving, omnipotent Creator create misery and death -- or did He? 1993 40 min.

Evolution and You HS-COL #6180

D. James Kennedy. Sunday sermon: evidence against evolution in probability statistics, and the effects of evolutionism on science, education, crime, divorce and teen pregnancy. The major attraction of the evolution model seems to be its freeing its adherents to make up their own moral standards, as Julian Huxley confessed decades ago. Brief Gospel presentation at end. 1995 40 min.

***Evolution Conspiracy--a Quantum Leap into the New Age GR 7-COL #6015**

Evolution...Fact or Belief? HS-COL #6079

Guy Berthault, Prof. Boudreau, Roberto Fondi, M. Giertych, Giuseppe Sermoniti. Interviews with scientists as to why they reject evolution. Includes footage of experiments in sediment formation, demonstrating that, in moving water, multiple layers form at a time-contrary to uniformitarian geology. ONE CAVEAT: Dr. Boudreaux's comment that carbon-14 decays to carbon-12 is in error; it becomes nitrogen-14. Many biologists and biology textbooks still teach this error. 1991 60 min.

***Evolution: a Theory in Crisis HS-COL #1002**

Michael Denton. Dr. Denton, a physician and biological researcher, shows from the biological sciences the impossibility of evolution--yet he remains an evolutionist. Thorough and excellently written, with illustrations. 1985 368 pg.

Evolution: Challenge of the Fossil Record HS-COL #6077

Duane Gish. We've been told that fossils demonstrate gradual evolution from simple life forms in the bottom layers to the most complex in the top layers of the earth. See what someone did NOT tell you about fossils! 1991 51 min.

Evolution: Fact or Fiction? GR 7-COL #6136

Roger Oakland. "...examines the foundational principles of the evolutionary model and examines them in light of the observable evidence." MB 1992 61 min.

"...the Bible describes Leviathan, a dinosaur that lived only a few thousand years ago! ...unfossilized dinosaur bones...fossil graveyards, petrified forests, and the rapid formation of coal all speak of the Genesis Flood and other post-Flood catastrophes." Professionally filmed interviews with scientists. Fast-paced overview. Excellent videography. 1996 27 min.

Fossil Record / Biology: Evolution's Greatest Enemy~The GR 7-COL #5097

Ian Juby. Part 11: Some of the strange oddities within the fossil record. Variations within modern species and the giants of the fossil record make interpretation of the fossil record highly subjective! Part 12: Time is not the "hero of the plot," but actually is evolution's arch nemesis. Discusses the origin of life and the origin of species. 2008 28/28 min.

Fossil Record ~The GR 9-COL #5007

Mike Riddle, + bonus interviews with several scientists. "Where are all the transitional forms...? How well do some of the famous alleged fossil intermediates such as the horse and archaeopteryx hold up to unbiased scientific investigation? Do mutations and natural selection support evolution?" Bonus material includes interviews with Duane Gish, John Morris, Jobe Martin and Ken Cumming, and scenic video. Lesson plans available on Internet. 2003 60 min. +

Fossil Record ~The GR 7-COL #5063

Russ Hanson. 2008 65 min.

***Fossil Record ~The GR 7-COL #6018**

A. E. Wilder-Smith. (FFC): "Earth's strata provide overwhelming evidence against evolution. Disproves "missing links." ...much of Earth's geology, ...coal and fossils were formed as a result of Noah's Flood. Partially filmed at the Grand Canyon." 1982 30 min.

Fossils and the Flood What's the Connection? GR7-COL #6346

Ken Ham. The world scoffs at those who believe Noah's Flood was a global event. In this challenging video, Ken Ham share the importance of this event, and the memorial it left all over the earth.

Fossils and the Flood: The Scientific Evidence for Creation and the Flood GR 9-COL #6260

Gary Parker. Focuses on the Grand Canyon and fossils as evidence for the world-wide Flood. Clear explanations, good visuals and good humor. 1994 60 min.

Fossils, Flood, and Fire HS-COL #1003

Harold W. Clark. Filled with information concerning fossils and sedimentary layers of the earth. Presents the facts of geology within the context of the world-wide flood model. Well-illustrated. 1968 239 pg.

Fossils, Frogs, Fish and Friends GR 5-8 #1044

Kenneth Ernst Jr., Richard Bliss. "Fossils and the Flood are seen through the eyes of two children. Cartoon illustrations." 1984 28 pg.

Fossils: Hard Facts from the Earth GR 4-6 #1043

Norman Fox, Richard Bliss. Sure-Rock Holmes has not yet decided whether to believe in creation or evolution. He and 2 grade-school friends will consider the facts! Packed with info, but for kids as young as 10. Well illustrated! 1981 31 pg.

Fossils: What Do They Mean? HS-COL #6019

Gary Parker. Good-humored lecture, with still pictures edited in. Compares expectations of the evolution and creation models with the facts of the fossil record. Special mention: evolution's problem with lack of transitional forms; complexity of earliest life forms. 198? 50 min.

Frankenstein Foods and Fetuses: Bioethics, the Bible and the Stem Cell Debate GR 9-COL #5020

Donald Batten. "Genetic engineering is no longer limited to cloned sheep and low-carb potatoes! Man's ability to manipulate DNA is no longer a 'what if' scenario. Quandaries of morality now include the ability to engineer key physical characteristics and harvest tissue for the cure of certain diseases ... God's original intent ... should guide society today!" 2004 52 min.

Freddie the Flying Fox Bat/Bertram the Horseshoe Bat GR 3-6 #2015

Bob Devine. Bats are fascinating! Cute, too! Let Freddie and Bertram tell you how they're alike, and different, because the Creator wisely made them.

Freddie the Fossil/Harry the Pygmy Hippopotamus GR 3-6 #2014

Bob Devine. What do fossils have to tell us about the past? This one talks! What can you learn about the Creator from an animal? Harry has something to say!

From a Frog to a Prince HS-Col #5089

Don Batten, Richard Dawkins, Michael Denton, Werner Gitt, Lee Spetner. Dr. Richard Dawkins asserts that, given enough time, nature can produce life, up to the level of humans. Do all scientist agree? Challenging him are a biophysicist, molecular biologist, information scientist and biologist. 2002

***From a Frog to a Prince GR 9-COL #6211**

Don Batten, Richard Dawkins, Michael Denton, Werner Gitt, Lee Spetner. "A kiss from a princess can't turn a frog into a prince, yet evolutionists claim that ancestral amphibians did change into people just by chance and natural selection. But such major biological change needs new information: where could it come from?" Brief interviews with a prominent evolutionist and 4 other scientists. 1998 27 min.

From Darkness to Light to Flight: Monarch--the Miracle Butterfly GR 10-COL #1116

Jules Poirier. Life cycle of the Monarch butterfly, with photos, micrography, line drawings. The 3rd or 4th generation of Monarchs hatched late in summer live several months instead of weeks, and migrate up to 3000 miles to a location they've never visited! Somewhat technical, very detailed. 1995 64 pg.

From Evolution to Creation HS-COL #6020

Gary Parker. (ICR): "With a summary of the creation model, Dr. Parker shares his testimony of how he went from an evolutionist teaching unscientific precepts, to a creationist, totally on the basis of scientific evidences." 198? 45 min.

From Fish to Gish GR 11-COL #6289

Duane Gish. Demonstrates the lack of evidence for evolution in biology: complex animals at bottom of fossil record, no transitional forms, etc. 2000 44 min.

Frozen in Time: Woolly Mammoths, The Ice Age, and The Biblical Key to Their Secrets GR 10-COL #1131

Michael Oard. Author Michael Oard gives plausible explanations of the seemingly unsolvable mysteries about the Ice Age and the woolly mammoths. Many other Ice Age topics are explained including super floods, ice cores, man in the Ice Age, and the number of ice ages. 2006 217 pg.

Fundamental Fallacies of Evolution HS-COL #6113

Dennis Petersen. Video version of his seminar presentation, with slides. 1992

Gap Theory ~The GR 9-COL #1104

Kent Hovind, Stephen Lawwell. Critique of the Biblical and scientific problems with the Gap Theory (theory that there are long ages between Genesis 1:1 and Genesis 1:2).

Garden of Eden~The GR 7-COL #5171

Kent Hovind. "...describes the earth as it was before the worldwide flood, how it was possible for man to live over 900 years, for plants and animals to grow much larger than today, and for dinosaurs to thrive along with man." (Per the producer) (OK to copy, unedited, for free distribution only.) 2012 117 min.

Genes and Genesis: The Evidence Against Evolution GR 8-COL #6173

Gary Parker. Parker explains very clearly how complex is the system for replicating chromosomes and making them operate in a cell. No are of biology is more damning of the evolutionary model than this! 1994 60 min.

Genesis 1:1: The Foundational Verse of the Foundational Book GR 6-COL #5183

Ken Ham. While uncovering the deep meaning of each primary word in Genesis 1:1, Ham offers an expanded paraphrase that sheds great light on the rich meaning of the Bible's very first verse. Includes answers to questions he often receives, such as: What was God doing all that time before He created? Where did God come from? Also addresses hot topics such as when angels were created, when Adam sinned, and more. 2013 58 min.

***Genesis 1-11: an Overview--the Most-Asked Questions on Genesis Answered GR 7-COL #6021**

Ken Ham. Covers questions such as where Cain got his wife, how human "races" originated, whether creation took 6 literal 24-hours days, etc. 1990 60 min.

Genesis and Geology GR 11-COL #6285

Donald Chittick. Deals with the question of how to determine reality. For the Christian, the Bible is the test! Also covers radiometric dating methods, formation of coal, oil, gas, and fossils. Living fossils. Starlight and time - good discussion! Excellent graphics. 2000 56 min.

Genesis and the Chinese/Astronomy / First Cause/Q&A GR 7-COL #5100

Ian Juby. Part 17: finishes the study on the story of Genesis reflected in 4000-year-old Chinese writing. He then ventures into astronom's relevance to creation. Part 18: discusses "the first cause" of everything, and opens the floor to questions. 2008 28/28 min.

Genesis and the Decay of the Nation--the Relevance of Creation HS-COL #6022

Ken Ham. (ICR): "Does Genesis matter? Can Christians believe in evolution? How is evolution destroying family and nation? Genesis is foundational to Christianity! This is the message to awaken the Church!" 1990 46 min.

Genesis Debate: Willis vs Wieland GR 8-COL #5018

Paul Willis, Carl Wieland. Dr. Paul Willis, an evolutionist paleontologist, science journalist, and "Skeptic of the Year" debated Carl Wieland, M.D., CEO of Answers in Genesis-Australia and founder of Creation magazine. Two worldviews, one set of evidences. 2003 105 min.

Genesis Family ~The HS-COL #6176

Ken Ham. God's plan for the family is set forth in the book of Genesis. Society is seeing what happens when Genesis is no longer regarded as real history and the Bible is therefore not believed! 52 min.

Genesis Flood ~The HS-COL #6065

Henry Morris Jr.. Dr. Morris co-authored "The Genesis Flood" in 1961 (see Cat #1076). Good info, but flat presentation. 1991 55 min.

Genesis Flood and the Final Judgment ~The HS-COL #6092

John C. Whitcomb. When we reject the idea that God actually wiped the planet clean of humans once, because of society's moral and violent depravity, it's so much easier to believe He won't judge us in the future! 50 min.

Genesis Flood: Local or Universal? ~The GR 10-COL #6283

Ian Taylor. Detailed history of how the evolution and uniformitarian models replaced a Biblical view of history, and problems with the evidences for them. Very interesting presentation, but the only visuals are of text, and we often see only his back. 2000 55 min.

***Genesis Flood; The Biblical Record and Its Scientific Implications ~The GR 11-COL #1076**

John Whitcomb, Henry Morris Jr.. This single book, written in 1961, is credited with beginning the modern creationism revival! The authors, doctors of theology and hydrology, have deeply examined the geological and Biblical evidences for exactly what the Bible teaches and where science supports it. 1961 518 pg.

Genesis Foundation ~The HS-COL #6139

Ken Ham. "Humanism, abortion, homosexuality, racism, and many more of today's ills are directly related to the rejection of Creation and the acceptance of evolutionary ideas." MB 1993 30 min.

Genesis Record ~The HS-COL #1011

Henry Morris Jr.. "A scientific and devotional comentary on the Book of beginnings." Very readable. Several appendixes, i.e.: annotated bibliography, chronology of the Patriarchs, chronology of Genesis, quotes from Genesis in the New Testament, 100 reasons for belief in a literal 6-day creation. 1976 716 pg.

Genesis Record ~The HS-COL #6023

Henry Morris Jr.. (ICR): "An overview of Genesis as the true scientific record of origins and earth history, including reasons for rejecting all compromises." Companion to Dr. Morris's book of the same title. Excellent intro to a study of the book of Genesis. ND 50 min.

***Genesis Solution ~The GR 7-COL #6024**

Ken Ham. Powerfully explains why a literal interpretation of the Genesis account of origins is foundational to belief in the rest of the Bible. Uses animation and live footage of Ham's public presentation of this material. Would be a good intro to a study on Genesis. 1987 45 min.

Genesis, Babel & the Chinese Language GR 9-COL #5039

Andy McIntosh. Examines evidence for the Bible's account of the dispersal from Babylon of all language groups, especially ancient written Chinese. 2004 55 min.

Genesis, Evolution & Science HS-COL #6140

Ken Ham. Is there any such thing as an "unbiased" view of origins? Ken believes not! Using the Grand Canyon and Mt. St. Helens, he demonstrates how creationists and evolutionists process the facts, using their own biases. Which bias fits more of the evidence? Creation! 1993 30 min.

Genesis: Clave para la reconstruccion en al familia y la cultura GR7-COL #5147

Ken Ham. In SPANISH
Ken shows parents that they need to build their thinking on the Bible in order to equip their children to withstand and impact the culture.

Ken muestra a los padres que ellos necesitan fundar sus pensamientos sobre la Biblia para equipar a sus hijos de tal manera que puedan resistir y tener un impacto sobre la cultura. 2007 52 min

Genesis: The Key to Reclaiming the Culture GR 9-COL #5006

Ken Ham. "The Western world is becoming less Christian every day, losing the Christian worldview that once permeated society." Ken explains how the rejection of the Bible as telling the truth about history and science leads to a rejection of its authority in every other area, including ethics and morality. 2003 41 min.

Genesis: Today's Answer to Racism GR 7-COL #5115

Carl Kerby. Carl Kerby masterfully reveals why racism continues to infect our culture. Once we understand the Bible's historical teaching on "races" and the basics of the science behind the differences, we can easily change the way we think about people who look somewhat different from us. 2009 54 min.

Genetic Entropy & the Mystery of The Genome GR 9-COL #1129

John C. Sanford. "A geneticist from a major university, Dr. John Sanford details compelling new genetic evidence that the human genome ... has always been deteriorating due to accumulations of mutations. The more scientists discover about the human genome, the less plausible Darwinism is. ... lays out the scientific case against mutations resulting in the origin of species." 2008

Genius of Ancient Man: Evolution's Nightmare~The GR 7-COL #1143

Don Landis, Gen. Editor. All over the world there are similar findings of ancient religions, cities and towers, world travel, advanced astronomy, and civilized government. Over the course of two years, a team of researchers from Jackson Hole Bible College worked to bring together the different pieces of the convoluted mystery and history of ancient man. 2012 112 pg

Gish-Awbrey Debate ~The HS-COL #6025

Duane Gish; Dr. Awbrey. (ICR): "Dr. Awbrey is a strong opponent of the creation model...and teaches a university course designed to promote the evolution model...Dr. Guane Gish debated Dr. Awbrey at Christian Heritage College (Edited.)" ND 120 min.

Global Warming: A scientific and biblical exposé of climate change HS-COL #5088

Timothy Ball, Calvin Beisner, Ken Chilton, John Christie, Richard Land, Jason Lisle, et al.. Are the ice caps melting? Will polar bears and penguins soon be found starving on small floating icebergs? Does the future survival of man hinge on an immediate reduction in carbon emissions? 2007 2008

Glorious Creation ~The HS-COL #6181

D. James Kennedy. Sunday sermon, an overview of the necessity of belief in Genesis as foundational to belief and understanding of the rest of Scripture, and to belief in the value of human lives. Discusses also the real reasons for the original acceptance of evolutionism, and its effects on societies. 1995 35 min.

God and the Nations GR 10-COL #1112

Henry M. Morris. In-depth study of God's purposes and plans for the nations, from antiquity to the New Earth. Non-technical, no footnotes nor references other than Biblical. Indexes of Subjects and of Scriptures. 2003 176 pg.

God of Creation GR 4-COL #6026

Narrated. (per MV): "...the power and majesty of the created world--from the teeming world of tiny organisms to the stars... All point to God." This, the very first Moody science film, pioneered the use of time-lapse 16mm photography! 1945 28 min.

God of Suffering?~A GR 8-COL #5035

Robert "Tommy" Mitchell. Winner of Bronze Telly Award, 2006! Who better than a Christian M.D. to discuss the issue of how a supposedly loving, all-powerful God could allow medical tragedies, natural disasters, and human-generated evil? Shot on location after hurricanes of 2005 in Springs, Mississippi. Also includes documentary footage. 2006 45 min.

God of Wonders GR7-COL #5143

God the Master Designer: Evidence of incredible design in nature GR 9-COL #5199

Jonathan Sarfati. Darwin was totally unaware of the amazing machinery in even supposedly simple cells, which is essential for life to exist. And even larger-scale designs are outside the reach of the alleged mutation plus selection mechanisms of evolution. Finally, Dr Sarfati shows fantastic and compelling evidence of design—so advanced that human engineers are learning and copying from it. 2010 44 min.

God Who Is Real ~The HS-COL #6067

Henry Morris Jr.. "Evangelism and missions, using the Biblical model." (ICR) Good information, but this series has flat presentations. 1991 51 min.

God's Earth Team: Preserving The Earth He Has Given You GR 2-5 #6186

Actors. "Join the zany Professor Walter Schnaegel and the Earth Team as they discover what it means to exercise dominion over ... every living thing. Learn ... good stewardship of the Earth. Take a fast-paced journey that starts at Protozoa Ranch... and climbs to the top of the food chain. ...all of God's creatures ...rely on one another to sustain life...." 1995 30 min.

God's Little Creation PRE-GR 2 #5052

Ian Juby. This was a live talk for a packed house of children. Why dinosaurs do not support evolution, and instead teach us about creation and the flood of Noah. What science is (and is not), and how we can use science to determine whether creation or evolution is correct. 2007

God's Power and Scripture's Authority GR 8-COL #6028

Walter Brown. Intro to his "In the Beginning..." seminar. Emphasizes evidences from genetics. Stresses that unbelief is often a choice, but if one can not believe what the Bible says about things on earth, that can be seen (geology, biology), they won't believe the salvation message either! 1986 49 min.

God's Power Plants: Energy That Grows On You GR 3-5 #6185

Actors. "Your children will learn exciting lessons about God and His creation, from the way that the sun's rays become a plant's fuel to the role of bees in spreading a plant's pollen." 1995 30 min.

God's Rockin' World: Foundations You Can Build On GR 3-5 #6187

Actors. "...a rockin' exploration of the earth... See its layers. Sparkling geodes. Precious gems. Rocks of all types and textures. Look deep into the heart of a fiery volcano. Learn how marble is made. ...see how the Master Creator watched over even the tiniest detail... just as He watches over the smallest details in our life today." 1995 30 min.

***God's Word and Sacrifice: Martyrs for the Bible GR 7-COL #6209**

Ken Connolly. Ken Connolly's further history of the efforts to make the Bible available in English, at a time when possessing or quoting the English Bible could get one killed. 1996 60 min.

***God's Word in English: A Bible for the Common Man GR 7-COL #6208**

Ken Connolly. Bible historian Ken Connolly, on location, explains the lives of the men who risked everything to put the Bible into the English language. 1996 60 min.

***God's Word to Man: How the Bible Began GR 7-COL #6207**

***Grand Canyon Catastrophe: New evidence of the Genesis Flood ~The GR 9-COL #6196**

John Morris, Duane Gish, Steve Austin, Andrew Snelling. Indian legends of the formation of the Grand Canyon. Geologists explain new theory of sudden formation in flood, and the power of a flood to carve almost incredible amounts of solid rock during cavitation. Lessons from Mt. St. Helens. 1996 27 min.

***Grand Canyon: A Biblical View of Earth History ~The HS-COL #6160**

Andrew Snelling. Grand Canyon is said to have more of earth's evolutionary fossil history exposed in one place than anywhere else. But creationists find evidence that those fossils, strata and the canyon itself are the result of a tremendous flood! 1992 75 min.

***Grand Canyon: Monument to Castrophe GR 11-COL #1048**

Steven Austin. "Greationist guidebook to Grand Canyon and the Colorado Plateau. Geology, chronology, biology, and archaeology studied in light of the Biblical record and the Flood. Extensively and colorfully illustrated. Fully indexed." (per ICR) 1994 284 pg.

***Grand Canyon: Monument to the Flood GR 9-COL #6178**

Steven Austin, George Van Burbach, John Morris, Andrew Snelling, Kurt Wise. "Your personal tour of the Grand Canyon, brought to you by the creation scientists who know it best! Answer the hard questions about the origin and history of Grand Canyon. Learn how Grand Canyon is best understood in the light of Scripture." 1995 55 min.

Great Alaskan Dinosaur Adventure GR 6-COL #1123

Buddy Davis, Mike Liston, John Whitmore. In 1994, 5 explorers braved the dangers and miseries of the northern Alaskan wilderness to find and bring home bones from the Liscomb Bed - an area rife with fossilized and Unfossilized bones of dinosaurs! Analysis of their specimens was not complete when the book was published, but since then, it appears that red blood cells were still present in the frozen bones. How they survived cold, exhaustion, quicksand, a gushing leak in a raft, and mosquitos by the millions, is as interesting as what they brought back! 1998 137 pg.

Great Debate ~The GR 7-COL #6029

Terry Mondy. A high school science teacher believably portrays the evolutionist, the creationist, and the moderator of this "debate" staged before a high school audience. Too short to go into depth, but does attempt to fairly represent the feelings of both sides. 1987 54 min.

How Textbooks Mislead: "Facts" are not neutral--and neither is education GR 8-COL #5167

Don Batten. Do you know what your children learn in school? Dr. Batten investigates the evolutionary teaching in a typical biology text used in high school. It uses many deceitful, out-of-date and even fraudulent arguments to indoctrinate students in evolutionism. Be prepared to equip our youth with answers! 50 min.

How to Win the Evolution Debate (9/9-10/99) GR 8-COL #2060

Philip Johnson, D. James Kennedy. Radio interviews with Dr. Philip Johnson, who explains why he argues on philosophical grounds, excluding Biblical teachings, when dealing with the creation/evolution issue. 1999 2 x 25 min.

How Well Designed Was Noah's Ark? GR 9-COL #5015

Werner Gitt. Not until fairly modern times have ships returned to the proportions of Noah's Ark, which was designed by God to withstand the greatest storm in history, and with optimum storage room. No better vessel could have been designed. Contrast the real Ark with the silly images in most Sunday School materials! 2004 36 min.

Hubble, Bubble Big Bang in Trouble GR 10-COL #5022

John Hartnett. "Contrary to the big bang theory's billions of years, we may actually be seeing a 6,000-years-ago creation right now! Physicist Dr. John Hartnett argues persuasively that quasars are not (as popularly believed) massive objects at the universe's edge but embryonic galaxies ejected from mature galaxies in our own neighborhood." 2004 57 min.

Human Body: Inside Your Organs GR 3-6 #2052

Bob Devine. Uncle Bob interviews: DNA, Lymph, Arterioles, Veins, Kidneys, Appendix, Pancreas, Liver.

I Dig Dinosaurs PRE-GR 4 #5185

Buddy Davis. This real-life dinosaur researcher inspires kids with his solid creation teaching and infectious passion for the Gospel. Buddy discovers a big dinosaur bone, and in the process shows the effects of Noah's Flood on the Montana landscape. Your kids will see a remote part of the USA where the floodwaters scoured the earth and left a mangled graveyard of dinosaurs, fish, plants, and more—a treasure trove of fossils! 2012 25 min.

I Dig Fossils GR 4-9 #6174

Actors. A "How To Fossil Hunt" video. Excellently done; the only negative aspect is the evolutionary ages ascribed to fossils. 1993 25 min.

***Icons of Evolution GR 8-COL #6294**

Jonathan Wells, Roger DeHart, Bruce Chapman, Stephen Meyer, David Berlinski, Paul Nelson, et al. Based on the book "Icons of Evolution" by Jonathan Wells. Many supposed proofs of evolution, such as the "Tree of Life," Darwin's finches, and embryos going through the stages of evolution, have been discredited by evolutionists. Yet, students still learn them in public-supported schools, where many instructors dare not mention evidence against them. Excellent! 2002 51 min.

If Animals Could Talk: Creation Speaks for Itself GR 2-6 #1114

Werner Gitt. The sparrow, whale, platypus, swallow, glowworm, dragonfly, human eye, earthworm, E. coli bacterium and golden plover - all "talk" about their unique features, and of the intelligence with which the Creator made them. Reading level is higher than treatment style; a good "read to me" book. Ends with the Gospel. 2005 115 pg.

***Illustrated Origins Answer Book ~The (5th Ed.) GR 9-COL #1093**

Paul S. Taylor. Designed to accompany the film series "ORIGINS: How the World Came to Be," this is also useful alone as a concise, careful, detailed summary of evidences for a young earth and a worldwide Flood in Noah's day. The main text is 46 pages, followed by 68 pages of careful references, then by a 12-page index. Well-illustrated in B/W. 1995 128 pg.

Image of God or Planet of the Apes? GR7-COL #5136

Dr. David DeWitt. In this engaging illustrated lecture, Dr. David DeWitt reveals why the missing link will never be found. Highlighting such controversial science topics as DNA, human/ape skull comparisons, and proposed ape-man discoveries, Dr. DeWitt critiques the evolutionary tree that supposedly links humans to apes and exposes its roots for what they really are: fiction. 2006 45 min

Image of God--Human Origins: Creation or Evolution? ~The GR 9-COL #5040

David Aikman. Aikman's interviews with anthropologists demonstrate that anthropologists can't agree on a single fossil as being a "proto-human," yet secular textbooks confidently assert that we have fossils of non-human ancestors! If Lucy, Neanderthals, Boxgrove Man, Homo Erectus and Homo Habilis aren't proto-humans, what are they? 2002 27 min.

***Importance of a Biblical Worldview ~The GR 8-COL #6290**

David Noebel. Compares and contrasts the Christian worldview with Secular Humanism, New Age beliefs, etc., in areas such as theology, sociology, ethics, government, home/church/state relations, biology & psychology. Explains why we have a "Civil War of Values" in America! 42 min.

In the Beginning ..." Seminar ~" HS-COL #2006

Walter Brown. Audio of Dr. Brown's popular creation seminar, presented 9/28/91 in Aurora, IL. One unique aspect of Dr. Brown's work is his theory of a "honeycomb" structure to earth's crust, within which he believes there was a vast quantity of water that contributed greatly to the world-wide flood. Excellent speaker! 1991 4 cassettes

[with] creatures that produce fire How does a giraffe get a drink without causing lethal blood pressure to his brain? How can Geckos walk upside down...? ...proves that animal designs can only be attributed to a creator will inspire you to look more closely at the word around you." (Cover) (Professionally filmed, live footage) 2000

***Incredible Creatures that Defy Evolution II GR 4-COL #6292**

Jobe Martin. Fireflies and glowworms, which generate light almost without heat; birds that navigate thousands of miles over oceans by instinct; whales that dive to the depths of the ocean, without being crushed by pressure; and creatures that regenerate parts of their bodies, even growing a new head! 2000 46 min.

IndoctriNation: public schools and the decline of Christianity in America GR 8 - COL #5169

Colin Gunn & teachers, students, administrators. Remember when public education was required to be "neutral" on controversial matters? Was it ever? This documentary follows Colin Gunn and his family as they travel the U.S. in an old school bus revamped as a mobile home. Colin interviews teachers, students, administrators, Ken Ham & others. Truth is, the Left wants to form the minds of all children, and YOUR public schools are now THEIR domain! 2011 12 min.

Inherently Wind: A Hollywood History of the Scopes Trial HS-COL #5003

David Menton. When Hollywood makes history into a film, it tends to embellish the story, if not outright misrepresent personalities and events. "Inherit the Wind," the movie about the Scopes "Monkey Trial," was no exception. Here's info you probably never heard before! 2003 74 min.

Inherit the Wind: A Hollywood History of the Scopes Trial GR 9-COL #1096

David N. Menton. If you think you know what happened in the Scopes Trial, based on "Inherit the Wind," read this! Compares in detail the historical records of the "Monkey Trial" versus events in the screenplay. I.e., John Scopes himself said he never taught biology - he substitute-taught the biology class, and never discussed evolution. He was not jailed, etc. One lie after another is examined. 2006 32 pg.

Integumentary System (SKIN)-The [Parts 1&2] GR 6-COL #5188

David Menton. Dr. Menton takes two teens on a teaching-tour through the major systems of the body ...Humorous and insightful talks that leave audiences in hushed awe at the Creator's wisdom. Menton employs anatomical props, models, and microscopic images to teach about God's amazing designs for life. 2011 45/48 min.

Part 10: Evidence of dinosaurs in historic time, and the how the fossil record is powerful evidence for Creation: nothing has changed - plants and animals are either still here, or they have evidently become extinct. 2008 28/28 min.

Interview with Dean H. Kenyon ~An GR 11-COL #6215

Dean Kenyon. In 1969 Dr. Kenyon co-authored "Biochemical Predestination," examining how life might have formed in the primitive ocean. In this interview, he discusses why he no longer believes in a strictly neo-Darwinian origin of life. Dr. Kenyon is not a young-earth creationist, but has valuable scientific insights. Caution advised. 1994 36 min.

Interview with Michael J. Denton ~An GR 11-COL #6155

Michael Denton. Interview with an evolutionist research scientist. His 1986 book "Evolution: A Theory in Crisis" won him criticism by fellow evolutionists. "While he unequivocally rejects neo-Darwinism on the basis of scientific evidence he also rejects creationist explanations on the basis that they are non-naturalistic." (cover) 1993

Interview with Phillip E. Johnson ~An GR 11-COL #2041

Phillip E. Johnson. Dr. Johnson speaking at the McKenzie Study Center 1996

Interview with Phillip E. Johnson ~An GR 11-COL #6154

Phillip E. Johnson. Interview with a UCLA Berkely law professor concerning philosophical and logical problems with evolution. Johnson himself is more of a theistic evolutionist, but his points are made so well you might get your thoroughly evolutionist intellectual friends to listen! 1993 45 min.

Interviews with Dr. Duane Gish & Ian Taylor GR 10-COL #6281

Duane Gish, Ian Taylor. Dr. Gish discusses various evidences for creation, and his part in the modern creation movement. Ian Taylor discusses in detail the life of Charles Darwin, evidence that archaeopteryx fossils are fraudulent, and how blind belief in evolution results in violations of the scientific method. 2000 75 min.

John Mackay. Bible study on the Trinity in the Old Testament, compared with the teachings of the Koran on the nature of God. 2002

***Is Genesis relevant today? GR 6-COL #6247**

Ken Ham. Ken pulls no punches in explaining why taking the Bible's history literally is vital to taking the rest of its teachings as valid. Every major doctrine of Scripture has its roots in the early chapters of Genesis! Why the legal push for abortion, sexual "liberation" and killing the unwanted are a logical outgrowth of rejecting Scripture as the final authority. (You might want to show something milder to evolutionists.) 30 min.

Is Geocentricity a Dangerous Error? HS-COL #2008

Martin G. Selbrede, Don B. DeYoung. Debate between 2 creationists. Selbrede holds the minority view that the earth is the center of the universe, and is not turning nor orbiting the sun. DeYoung takes the majority view that neither the Scriptures nor science support the geocentric, geostatic position. 1991

Life Before Birth: The Creator's Blueprint GR 8-COL #6172

Gary Parker. Discusses the formation of a child in the womb, DNA, mutations and birth defects, the value of human lives when their bodies are defective, the survival of babies born weighing less than 1 pound, and the difference between the view of man in the Bible vs. evolution's view. As always, Parker is both entertaining and informative. 1994

***Life in the Great Ice Age GR 5-COL #1033**

Michael & Beverly Oard, the Snellenbergers (illus.). "After Noah's Flood the earth and its climate were undergoing drastic changes. The stage had been set for the Great Ice Age. Noah's descendants had to learn how to survive in a strange, often hostile land..." The first part is written in story form, around a boy growing up in the new world. The second part is more technical, concerning the causes of the Ice Age. Fascinating, readable, and beautifully illustrated. 1993 71 pg.

Life is in the Blood ~The GR 8-COL #4014

John Mackay. Why didn't Adam and Eve die the day they sinned? Why did God accept Abel's offering, but reject Cain's? Why did Jesus have to shed His blood to save us from sin? Would it matter if He had been strangled? These and other questions on the nature of life and death are answered... It will help you understand the Gospel! 2002

Life, the Universe, & the Bible. Parts 1-3 HS-COL #6087

Barry Setterfield. Three narrated slide programs on 1 tape; 1 hour each. In 1987 Setterfield co-authored the Stanford Research Institute Invited Research Report, "Atomic Constants, Light, and Time," indicating the speed of light has decreased. This has serious implications for the age of the universe: if the speed of light has decreased significantly, estimates on the distance of far objects in space are wrong, and the age of the universe could be much less. 3 hours

Life's Story: The One That Hasn't Been Told GR 7-COL #5038

Narrated. "What does modern DNA research now prove about the theory that simple cells evolved into all life on earth? . . . that evolution is impossible. . . How much can animals change? Why do so many species depend upon one another to survive? Where does instinct and intelligence come from?" Parrot fish, dolphins, ostriches, wildebeest, cheetah, giraffes, lions. Filmed on location over 5 years in 10+ countries. 2004 56 min.

Light in the Darkness GR 7-COL #2080

Charles Colson. Colson turned his life over to Jesus Christ before being imprisoned as a Watergate conspirator. After release, he went back into prisons with a message of God's justice, mercy, and power to change lives. Easter 1999 at New Jersey State Prison. 1999 40 min.?

Live TV Call-In Talk Show HS-COL #6128

Kent Hovind. TV show broadcast on WVCY, Milwaukee. Good overview of subject. 30 min.

Living Fossils: Confirmation of Creation HS-COL #6158

Joachim Scheven. Takes you on a tour of dozens of specimens of "living fossils," displayed with their modern-day examples, demonstrating that "the dominant facts of the fossil record are stasis (staying the same) and extinction (dying out)." 90 min.

Long War Against God ~The HS-COL #6034

Henry Morris Jr.. The societal effects of belief in evolution, from ancient times to the present. Dr. Morris is one of the founders of the modern creationist movement. 1990 56 min.

Lord God Made Them All ~The GR 3-COL #6230

John MacKay. Various mini-segments from MacKay's presentations on Australian public television. Topics: Feet, Exploding seed pod, Nautilus, Mosquito-catcher plant, etc. Excellent audio/video quality. 1995 28 min.

Lori the Lungfish/Timothy Tardigrade GR 3-6 #2012

Bob Devine. Uncle Bob interviews a lungfish (they're supposedly on the evolutionary trail to leaving the water permanently) and a tiny tardigrade, an arthropod you just about can't kill!

Lucy - She's No Lady! GR 8-COL #5043

David Menton. This anatomy professor demonstrates that "Lucy", the skeletal australopithecine, was not human. Includes NOVA footage of the ALTERING of Lucy's pelvis to make her appear human! Dr. Menton is always easy to understand, logical and calmly humorous. 2004 59 min.

***Lucy, She's No Lady! GR 8-COL #6295**

David Menton. This anatomy professor demonstrates that "Lucy", the skeletal australopithecine, was not human. Includes NOVA footage of the ALTERING of Lucy's pelvis to make her appear human! Dr. Menton is always easy to understand, logical and calmly humorous. 2003 58 min

Mammoth & The Ice Age ~The GR 10-COL #5080

Michael Oard. Perhaps millions of woolly mammoths have been found frozen in the soil in northern regions, especially Siberia. Why so many? How could they die and be buried so suddenly that we find them with flesh and hair NOW? Wasn't the latest Ice Age about 10,000 years ago? Oard shows how the Biblical Flood would cause the Ice Age! 2004 50 min.

Many Infallible Proofs GR 11-COL #1040

Henry Morris Jr.. "Comprehensive, yet warm and evangelistic. Presents practical evidences for the infallibility of the Bible. Inspirational reading, yet suitable for classroom." (ICR) 1994 381 pg.

Marty and the Last Dinosaur (#2) GR 3-6 #6271

Actors. Still seeking to prove creation to Prof. Malcolm, Marty and Dr. Hanson search the Congo for mokele mbembe - which may be a living dinosaur! But Prof. Malcolm is determined that no evidence shall be found! Live action comedy-drama. 30 min.

Martyrs ~The HS-COL #6206

Luci Swindol. Based on Foxe's Book of Martyrs. Luci Swindol recounts the histories of men and women persecuted to death for their faith. 1996 40 min.

Marty's Fossil Adventure (#1) GR 3-6 #6270

Actors. Professor Malcolm has offered \$1 million if Dr. Hanson can come up with real evidence that creation is true. To make sure that doesn't happen, he also sends Marty as a saboteur on Dr. Hanson's expedition! Science and humor, live action. 30 min.

Marty's Grand Adventure GR 3-5 #6293

Actors. Marty's research takes him to the Grand Canyon, to study what fossil nautiloids demonstrate about the canyon's formation. Back in the "Control Room," a group of teens monitor his work via satellite, and someone tries to sabotage the project! Topics: why suffering and death, and the salvation offered through Christ. Too technical for little kids, except as a story; but a "kiddish" treatment. 2003 65 min.

Me, the Professor, Fuzzy & the Meaning of Life GR 9-COL #1089

David Pensgard. Sometimes humorous, this black and white "comic book" compares religions, philosophies and evidences, and concludes that Jesus Christ is Who and What He claimed to be! Includes CD. 2002 213 pg.

Meeting the Challenge of the Creationist Movement in America GR 11-COL #2009

Raymond Eve. Presentation to the staff of Fermi National Accelerator Laboratory on 12-9-92. The speaker, a sociologist, has a pro-evolution perspective. Apparently brought to speak on the danger that creationists, as an "anti-science" political force, will succeed in destroying taxpayers' willingness to fund Fermi Lab. 1992 1 hr?

Men of Science-Men of God GR 9-COL #1037

Henry Morris Jr.. "Unique collection of brief biographies and the Christian testimonies of great Bible-believing scientists of the past--many who were 'founders' of modern science. Clearly shows that one can be a great scientist and a creationist Christian." 1988 107 pg.

Menace of Humanism ~The GR 7-COL #6080

Richard Bliss. (CLP): "Documented treatment of the impact of evolutionary humanism on modern education and the minds of children and young people." 1985 40 min.

***Milky Way & Beyond ~The GR 7-COL #6194**

Narrated. Awesome photos of the universe, stressing the size of the creation--and its Creator. 1996 40 min.

Millions of Years: The New Gnostic Religion GR 6-COL #5179

Steve Ham. Ham unpacks the Apostle John's letter to the church, revealing the answers needed to overcome the modern idea that seeks to redefine the historical reality of Christ. Be prepared to recognize and refute modern gnosticism. Is Jesus who He says He is—Creator and Savior? How do you know? 2013 48 min.

Millions of Years: Where Did the Idea Come From? GR 10-COL #4021

Terry Mortenson. AUDIO. The men and the theories that popularized the idea of billions of years of earth history. Have you heard of the "scriptural geologists" who opposed the old-earth geology in the early 19th century? Gives historical context for understanding why the authority of Scripture is so undermined in the church today and how this hinders the proclamation of the gospel. 2007 50 min.

Millions of Years: Where Did the Idea Come From? GR 9-COL #5028

Terry Mortenson. Introduces the men and summarizes the theories that helped popularize the unbiblical idea of millions of years of earth history. Have you heard of the "scriptural geologists" who opposed the old-earth geology in the early 19th century? Give the historical context for understanding why the authority of Scripture is so undermined in the Church today and how this relates to the proclamation of the gospel. 2005 65 min.

Miraculous Origin of the Bible ~The HS-COL #6101

John C. Whitcomb. History of the Bible, and evidences that it is reliable today. 50 min.

Mitochondrial Eve and the 3 "Daughters" of Noah GR 10-COL #5164

Robert Carter. The Bible records 3 historical Biblical "main events" that would have left an indelible mark on our genetic makeup: Creation, the Flood, and the Tower of Babel. Exciting research in modern genetics actually underlines the reality of these events, if you expect to find the evidence and go looking for it (but you have to know where to look!). 37 min.

Modern Science and Biblical Miracles HS-COL #6102

John C. Whitcomb. Does modern science prove there's no such thing as a miracle? Or do miracles prove that there's a supernatural Creator, who invented natural laws, and can suspend them any time He likes? 50 min.

Monkey Trial ~The GR 9-COL #6297

Ken Ham. The Scopes Trial was a watershed event! While creationists "won" the legal battle, they began to lose the culture war. Ham describes the now-defunct arguments for evolution that were used in the Scopes Trial, and points out that we need to believe God, not man, when they disagree. 1997

Moon Design and Age GR 10-COL #6306

Danny Faulkner. The Bible says the moon was created for: light, calendar, signs, and to show God's glory. It also causes total solar eclipses (visible on no other planet) which enable us to study the sun. Earth's moon is so different from others as to suggest it had a different origin. All naturalistic theories of its origin have been disproved. Much info, easy to follow, but audio is poor. 2001 1 hr.~

Moon: Its Creation, Form and Significance ~The HS-COL #1005

John C. Whitcomb, D. DeYoung. "...best comparison of the various moon origin theories I have ever seen."--James B. Irwin, Apollo 15 Astronaut. "Both the scientific and Biblical discussions are sufficiently comprehensive and objective to warrant an honest hearing in the classroom..." 1978 180 pg.

Mount St. Helen's HS-COL #2025

Steven Austin, James Kennedy. Kennedy interviews a geologist from ICR about his findings at Mt. St. Helens. The 1980 explosion rocked the geological world, as it became apparent that many accepted beliefs about formation of Grand Canyon, the many layers of fossil forests in Yellowstone, and the Petrified Forest could well have had sudden origins! 1994 30 min.

Mount St. Helens: Explosive Evidence for Catastrophe GR 8-COL #5016

Steven Austin. Fascinating coverage of the May 1980 eruption and the resulting rapidly-formed canyons, stratified rocks, and trees buried upright through layers of sediments. Documents that geological features found in the Grand Canyon, the Petrified Forest and Yellowstone, long interpreted as millions of years in forming, can be produced very rapidly! 58 min.

***Mount St. Helens: Explosive Evidence for Catastrophe (Revised) GR 7-COL #6035**

Steven Austin. Fascinating coverage of the May 1980 eruption and the resulting rapidly-formed canyons, stratified rocks, and trees buried upright through layers of sediments. Documents that geological features found in the Grand Canyon, the Petrified Forest and Yellowstone, long interpreted as millions of years in forming, can be produced very rapidly! 1993 58 min.

Mountain of Fire GR 4-7 #1085

Paul Thomsen. Helicopter pilots risk their lives to save victims of Mt. St. Helen's eruption. Two creationist geologists risk their lives researching the sediments and deep canyon that formed at Mt. St. Helen's, not in millions of years but in hours! 1997 74 pg.

***My Creation Bible PRE-GR 2 #1108**

Ken Ham, Jonathan Taylor (illus.), Buddy Davis (music). Brilliantly-illustrated rhyming board book with music CD by Buddy Davis. Buddy sings the text of the book. Covers 6 days of Creation, fall of Adam, results of Original Sin, the Flood, Tower of Babel, origin of human "races," Christ's death and resurrection, and it almost presents the Gospel. 2006 24 pg.

My Life Without God GR 8-COL #1068

William J. Murray. Bill's "life without God" was, unfortunately, very interesting. Have you wondered what motivated his mother, Madalyn Murray O'Hair, to attack any mention of God in public places? Why did this son turn to Jesus Christ? Updated to remove "salty" language, and to deal with the kidnapping and murder of Madalyn, her other son and Bill's own daughter, who disappeared in 1995. Hard to put down! 2000 336 pg.

Mystery of Life's Origin: Reassessing Current Theories COL #1006

Charles Thaxton, W. Bradley, R. Olsen. "A valuable summary of the evidence against the chemical evolution of life out of non-living matter. It presents a very well thought-out and clearly written analysis of the alternatives to the accepted scientific theory of the origin of life."--Robert Jastrow 1984 228 pg.

Mystery of Our Declining Genes GR 10-COL #5161

John Sanford. One of the world's foremost experts on genetics traces the history of human genetic decline due to mutations in our DNA. The evidence is startling to those who don't believe in the Genesis account of Creation because it refutes conventional dates for alleged human evolution. This is powerful evidence for the Bible's timescale for human history. 49 min.

***Nation Adrift ~A GR 7-COL #6312**

Brian Barkley. More evidence that America's Founding Fathers put Biblical principles into our government's basic laws, giving us the greatest nation on earth. Covers pre-colonial to modern times, including the beginnings of Planned Parenthood, the ACLU, and the homosexual revolution. Excellent filming! 1994 92 min.

Natural Selection Versus Supernatural Design HS-COL #6133

John Morris. No scientist disputes the reality of natural selection, but could it select something that doesn't exist, to bring it into existence? John Morris argues that the complex designs in living things are proof of there being a Designer. 1993 43 min.

Naturalism and the Modern University GR 11-COL #2040

Phillip E. Johnson. Dr. Johnson speaking at the University of Oregon 1996

Nature and Origin of the Genetic Code ~The HS-COL #6108

Gary Parker. Makes the complex operation of DNA understandable and entertaining. Explains why cells did NOT spontaneously form in the ocean. 1992 90 min.

New Biology. Discovering the Wisdom in Nature ~The COL #1018

Robet Augros, George Stanciu. The authors are evolutionists, but their interesting premise is that species cooperate, not compete, contrary to evolutionary thought. 1987 274 pg.

No Retreats, No Reserves, No Regrets HS-COL #1072

Ken Ham, David Barton, David Noebel, M. Foster, B. Howse, D. Wildmon, R. Linsted, M. Chapman. Compilation of keynote talks at Christian Worldview Weekends. McDowell states, "...this book will help you develop clear biblical insight for successfully living the Christian life in a post-Christian world. My prayer is that you will read this book and gain a greater passion for proclaiming a biblical worldview to a world that has questions for which we have the answers." 2000 252 pg.

***Noah's Ark and the Ararat Adventure GR 7-10 #1036**

John Morris. "Along with the exciting story of the author's personal search for Noah's Ark, this book describes, in simple language, scientific evidence for the flood and the nature of the pre-flood world. Beautifully illustrated. Salvation message interwoven." (per ICR) Updated version of "Noah's Ark and the World That Perished." 1994 64 p.

Noah's Ark, Noah's Flood; Lots of Water, Lots of Mud K-GR 4 #1080

John Morris. Tim asks "Tracker John" (Morris) about the Ark and the Flood. Dr. Morris has searched for the Ark in Turkey, and researched the Ark and Flood. Colorful and exciting! 1998 32 pg.

***Noah's Ark: Fact or Fable? GR 6-COL #6263**

E. Behling, G. Schwinghammer, R. Oakland, T. LaHaye, J. Whitcomb, C. Moody, Et al.. 16 speakers, including some claiming they've seen the Ark, and experts for and against the idea that the Ark still resides in the mountains of Ararat. How could all the animals fit on one boat, and be kept alive for over a year? Well-done. Home & classroom use OK, other users need to contact Grizzly Adams Productions. 1995 29 min.

Noah's Ark: Thinking Outside the Box GR 7-COL #1122

Tim Lovett. Lovett's long study of the design of Noah's Ark has resulted in AIG revising their view of the Ark's overall design. Gives details of why the Ark may have had a non-"boxy" design, tools and materials and design methods available to Noah, other ancient and modern ships compared with the Ark. 2008 73 pg.

Title - Age Level - Catalog

Noah's Ark: Thinking Outside the Box GR 8-COL #5091

Tim Lovett, John Whitcomb, Ken Ham. The product of 13 years of study on how Noah could have built a vessel so large, and supplied air, food and water, using materials and technology available 4500 years ago. 2007 25 min.

***Noah's Ark: Was There a Worldwide Flood? GR 7-COL #6254**

Carl Baugh, Charles Berlitz, Ethel Nelson, Steve Deckard, Ken Cummings, et al.. Over 200 cultures around the globe have native legends of a large flood, often sounding much like Noah's Flood. But where would the water come from, and go? How could one boat shelter all those animals? Contains rare evidence of artifacts found in coal! Home & classroom use OK, other users need to contact Grizzly Adams Productions. 1995 34 min.

***Noah's Ark: What Happened to It? GR 4-COL #6264**

Various. Multiple eye-witness stories, modern and ancient, of people claiming to have seen Noah's Ark. Very interesting! Live-action video. Home & classroom use OK, other users need to contact Grizzly Adams Productions. 1995 42 min.

Noah's Big Adventure PRE-GR 3 #6109

Animated. Draw-on animation of the old story. 23 min.

Noah's Flood: Evidence in Australia GR 10-COL #5114

Tas Walker. Australian geologist Dr. Tas Walker highlights some of the remarkable geologic features that he has studied in his home country -- and they can only be explained by a worldwide flood. 2003 62 min.

Noah's Flood: Rocks & Fossils #4023

Terry Mortenson. AUDIO. Examines the Biblical evidence for a global flood during Noah's day and the geological evidence for rapid deposits of sediment during that Flood. Emphasizes why it matters what we believe. 2007 50 min.

None Dare Call It Education GR 9-COL #1125

John A. Stormer. "Falling academics--the dumbing down of our children--is not the only problem....the very smart kids.... Are taught to base their thinking and decisions on faulty, humanistic, God-is-not-relevant foundations. They are being trained and prepared to be the leaders of 'the new social order' which education 'reformers' say they are working to create." (page xiii) 1999 266 pg.

Nuclear Strength Apologetics: A Practical Procedure for Defending Christian Faith Part 1 GR7-COL #5155

Dr. Jason Lisle. Presuppositionalism: the best method for defending the faith. Dr. Lisle gives numerous examples of real-world discussions, and demonstrates how to expose the inconsistencies and arbitrariness in secular worldviews while revealing the logic and consistency of the Biblical worldview. 2009 59 min

Nuclear Strength Apologetics: A Practical Procedure for Defending Christian Faith Part 2 GR7-COL #5156

Dr. Jason Lisle. Presuppositionalism: the best method for defend the faith. Dr. Lisle gives numerous examples of real-world discussions, and demonstrates how to expose the inconsistencies and arbitrariness in secular worldviews while revealing the logic and consistency of the Biblical worldview. 2009 59 min.

Of Books and Sloths GR 4-Col #5079

Irwin Moon. Points out the dependability and the accuracy of the Scriptures as compared with man's writings that must be constantly revised to correct inaccuracies. 1954 29 min.

Of Pandas and People: the Central Questions of Biological Origins HS-COL #1008

Paul Davis; D. Kenyon, C. Thaxton. Intended as a supplemental biology text. Tries to balance evolution and creation treatments. Good treatments of genetics, molecular similarities among species, fossils, etc. Clearly written and interesting. Well illustrated. 1989 166 pg.

Old-Earth Creationism on Trial: The Verdict Is In GR 8-COL #1128

Tim Chaffey, Jason Lisle. A comprehensive biblical, theological, and scientific critique of old-earth creationism, the book presents its compelling testimony in layman's terms... 2008 207 pg.

One Blood GR 4-COL #2083

Buddy Davis. 14 original songs: We're One Blood; Why?; I'll Worship My Creator; They Think That They've Seen You; He Makes Dreams Out of Nothing; I've Got Good News; Come To Jesus; I Wish The World Could Love Like Them; Keepers Of The World; Here At Home It's Off To Church; May All Creation Praise Thee; I Believe; Big Sam; Take My Hand 2001

One Blood: The Biblical Answer to Racism GR 9-COL #1132

Ken Ham, Carl Wieland, Don Batten. Racism has been a blot on history for thousands of years. Incredibly, most white Christians don't know the answer to the race question. Where do black people come from? Is inter-racial marriage OK? This ground-breaking book explains the genetic origins of color and provides a great answer to the plague of racism. 1999 176 pg.

***One Blood: The Biblical Answer to Racism GR 8-COL #6259**

Ken Ham. "If we all come from Adam and Eve, how do we explain the different 'races' of people today? Is inter-racial marriage allowed in the Bible? How has evolution led to an increase today in racism? What is the real solution to racial reconciliation?" (Cover) 1999 60 min.

***One Minute After You Die: a preview of your final destination GR 8-COL #2064**

Erwin Lutzer. Sermon audio series on 4 cassettes. Individual titles:
a. A Glimpse Behind The Curtain/The Descent Into Gloom
b. The Ascent Into Glory/ Welcome! You Have Arrived!
c. Living In The New Jerusalem/ Can Modern Man Believe In Hell
d. When God Opens The Curtain For You/ Questions And Answers.
Dr. Lutzer's talks are thoroughly Biblical and never shallow. Also discusses the phenomena of ghosts and near-death experiences. Fascinating! 8 x 25? Min.

Origen de las razas, El GR7-COL #5149

Ken Ham. In SPANISH

Many people today are confused about the origin of the so-called "races" of people. But the Bible and accepted scientific principles provide easy-to-understand answers.

Mucha gente hoy día está confundida en cuanto al origen de las así llamadas "razas" de gente. Pero la Biblia y aceptados principios científicos proveen respuestas que son fáciles de entender. 2007 47 min

***Origin of Humans ~The GR 8-COL #6245**

Mike Riddle. Another fascinating, detailed account of why you can't believe everything in your textbooks! Counterfeit fossils of ape-men, misrepresentations of Neanderthals, australopithecines, Lucy and the Homo erectus group; plus what mutations do to the health and survival of organisms. 53 min.

***Origin of Life ~The GR 7-COL #6036**

A. E. Wilder-Smith. (FFC): "Proves that Man and even the simplest cell could never have evolved by time and chance. Evolution is mathematically impossible!" 1982 30 min.

Origin of Life ~The HS-COL #6073

Duane Gish. Even "simple" life forms -- are not! Gish shows how impossible evolution is from the starting point. Again, sharp info, rather dull presentation. 1991 50 min.

Origin of Life ~The HS-COL #6089

John C. Whitcomb. Emphasizes the Biblical reasons for a literal 6-day creation event, and why the universe has no properties that would cause life to form by chance, even in billions of years. Concludes with an invitation to trust Christ. Very few graphics, but good "talking head". 51 min.

Origin of Life ~The GR 8-COL #6244

Mike Riddle. Detailed info on the Miller experiment and other attempts to create proto-life, probability of the spontaneous origin of life, cooking the Primordial Soup, the Law of Entropy vs. evolution, and how the information in DNA could NOT arise by chance. 50 min.

Origin of Life Equipping Course GR 9-COL #7004

Mike Riddle & Bob Compton. This is intended as interactive training for high school to college students. It would fit into a semester of Sunday School or youth group meetings. Topics center on origin of life issues. Includes videotaped lectures by Riddle, Student Manual, Instructor Guide, and a CD with everything in the course except video. Includes PowerPoint slides, if you wish to lecture. If your class is large, you should provide small group leaders to role-play with students, to help students learn to ask good questions in biology classrooms, to spread their knowledge (gently!) to their classmates. 2001 11 hrs.

Origin of Life Equipping Course - Preview Video HS-COL #6286

Mike Riddle. Advertising Riddle's "Origin of Life Equipping Course", aimed at high school and college students. They get the facts against evolution, and they role-play respectfully bringing up questions in public school. Can be taught by your staff or Riddle. (Includes a 3-minute AND a 16-minute version.) 2001 3 or 16 min.

Origin of Life: Evolution - Creation GR 7-12 #1029

Richard Bliss, Gary Parker, Duane Gish. Very readable, creation-oriented approach to technical topics, i.e., the early atmosphere, likelihood of accidental formation of organic molecules, etc. Could be used as textbook. Well illustrated. 1979 51 p.

Origin of Man ~The GR 7-COL #5062

Russ Hanson. 2008 58 min.

Origin of Man ~The HS-COL #6072

Duane Gish. Fossil men, fossil apes, but where are the real ape-men? This series has good info throughout, and flat presentations throughout. 1991 48 min.

***Origin of Mankind ~The GR 7-COL #6037**

A. E. Wilder-Smith. "...There is clearly no good evidence that Man evolved from ape-like animals. Uncovers the errors, hoaxes, and misinformation." (per producers) 1982 30 min.

Origin of Mankind ~The HS-COL #6090

John C. Whitcomb. From a Scriptural standpoint, contrasts the origin of Man with the claims of evolution. One major point is how Adam could have named the animals in one day (he had more intelligence and memory than we). Emphasizes the differences between humans and animals. 50 min.

Origin of Old-Earth Geology & Christian Compromise in the Early 19th Century, Part 1 GR 8-COL #6330

Terry Mortenson. "The church's compromise on biblical authority began long before Charles Darwin. ...shows how far back biblical geologists defended biblical history (and exposed the fallacies in an old earth), but the church refused to listen." 2004 52 min.

***Origin of Species ~The GR 7-COL #6038**

A. E. Wilder-Smith. "Proves that animals cannot evolve upward by any natural process, including mutations and natural selection. ...Exceptionally easy to understand." (per producers) 1982 30 min.

Origin of Species: Was Darwin Right?~The GR 10-COL #4022

Terry Mortenson. AUDIO. Natural selection and beneficial mutations do not support the "theory" of evolution! Rather they confirm the biblical accounts of creation, the Fall of Adam and Eve in sin, and the Flood of Noah's day. A close look at the claims of evolutionists, showing that the scientific evidence fits with what the Bible teaches. 2007 50 min.

***Origin of the Races ~The GR 7-COL #6233**

John MacKay. Representatives of cultures around the earth describe their own group's legends of the creation, fall of man, world-wide flood, the Pleiades. How did widely scattered cultures get the same stories and star constellations, if not from a common culture, and fairly recently? Professionally filmed. 1993 32 min.

***Origin of the Universe ~The GR 7-COL #6039**

A. E. Wilder-Smith. (FFC): "Outer space and our solar system provide impressive evidence against Evolution and against the 'Big Bang Theory.' The universe was clearly designed and created, but is now degenerating--not evolving upward." 1982 30 min.

Origin of the Universe ~The HS-COL #6074

Duane Gish. "Critique of the Big Bang and other theories of cosmic and stellar evolution." (ICR) Valuable info, but not very lively style. 1991 50 min.

Origin of the Universe ~The HS-COL #6096

John C. Whitcomb. Looks at Genesis and finds no room for evolution in the days of creation; looks at astronomical facts and finds no evolutionary explanation for the planets, moons or sun. Focus is on the solar system, not the whole universe. 50 min.

Origin of the Universe ~The GR 11-COL #6287

Duane Gish. Covers many areas lightly, but has very good explanation of how the Law of Entropy militates against evolution. Graphics are not visible. 2001 1 hr.

Original Intent: The Courts, the Constitution, & Religion GR 9-12 #1057

David Barton. Barton demonstrates very clearly that the founders of America had no desire to remove religion from public life! So how can our courts believe otherwise? This historian traces how we got where we are! 1996 533 pg.

Original Perfection of the World ~The HS-COL #6098

John C. Whitcomb. How was the earth different originally from what we see today? What the Bible says about the early earth, the present earth, and what it will be like when God gets done with it. 50 min.

Origins: Creation or Evolution GR 7-12 #6081

Power in Plants/Busy As a Bee/It's a Small World GR 2-6 #6058

Narrated. (MV): "Witness the mysterious mechanisms behind "The Power in Plants" with the help of spectacular time-lapse photography. Follow the hard-working bee through her exhausting daily routine, guided entirely by an amazingly accurate inborn pattern." "Then explore the world of microorganisms..." 1988 30 min.

***Practical Benefits of a Biblical Worldview ~The GR 6-COL #6308**

David Barton. Examples of how the founding fathers created America based on the teachings of the Bible. Many Christian ministers signed the Declaration of Independence, signed the Constitution, led congregations in the War of Independence, sat on court benches, and became presidents and congressmen. Audio is poor, image is grainy. 43 min.

Pre-Flood World / The Hydroplate Theory~The GR 7-COL #5098

Ian Juby. Part 13: overview of the fascinating pre-flood model. Experiments with plants and animals show stunning results which help affirm the Bible as literal history, and may explain tropical fossils in the Arctic and Antarctic, giantism in the fossil record, and longevity before the flood.

Part 14: more on Dr. Walter Brown's hydroplate theory as to causes of the Flood. Where did the water come from? Where did it go? This model explains many features of the earth today. 2008 28/28 min.

Present Still Cannot be the Key to the Past / The Bible is the Key to the Past~The GR 7-COL #5094

Ian Juby. Part 5: More evidence that demands extremely energetic processes in the past, not long ages, plus more evidence of Noah's flood, and some of Ian's first-hand research around North America. Part 6: More on why the Bible, not present geologic processes, is the key to understanding earth's history. 2008 28/28 min.

Prior Claim GR 4-COL #6040

Irwin Moon. (MV): "Many of man's most ingenious inventions have been borrowed from God's original designs in nature....the Venus Fly Trap, archer fish, trapdoor spider, and other fascinating animals reflect the inventive genius of God." 1953 28 min.

***Privileged Planet ~The GR 7-COL #5046**

Jay Richards, Guillermo Gonzalez. Is the earth just an ordinary speck of dust in the universe, adrift in "no special place?" Contrary to the claims of evolutionists, the earth actually has numerous unusual properties, in its location and in itself, which make life possible and make scientific discovery possible! Interviews, computer animation, excellent visually and in content. One of the best videos in the creationist genre! Bonus material also. 2004 60 min. +

***Privileged Planet ~The GR 5-COL #6315**

Jay Richards, Guillermo Gonzalez. Is the earth just an ordinary speck of dust in the universe, adrift in "no special place?" Contrary to the claims of evolutionists, the earth actually has numerous unusual properties, in its location and in itself, which make life possible and make scientific discovery possible! Interviews, computer animation, excellent visually and in content. One of the best videos in the creationist genre! 2004 60 min.

Professor and the Prophets~The GR 4-COL #5086

Peter W. Stoner, Irwin Moon. (Includes Spanish track!) Did the Bible prophets speak by divine authority or from imagination? What chance do human predictions have of coming true and how do fulfilled Bible prophecies compare? Prophecies considered deal with Babylon, Jerusalem, Tyre, Petra. First issued in 1961 as a film. 1998 30 min.

***Programming of Life GR 9-COL #5194**

Don Johnson, Joseph Miano, Len Ortenzi. DNA is the code that's in every cell of every living thing, and in viruses. But while DNA itself wouldn't form by chance, the information it contains, that causes every function of cells and viruses, is wildly impossible of forming by spontaneous generation (evolution)! NOVA quality program! 2011 45 min.

***Project DINOSAUR GR 4-9 #6225**

(Actors). "Mikey's chances of winning the science fair take a nose-dive ..., but the discovery of a dinosaur bone revives his dashed hopes. When Mikey realizes that evolution doesn't agree with his Christian beliefs, he must decide what he believes and then have the courage to defend it, even if it means losing the science fair -- and the respect of his classmates and teacher." 2000 64 min.

Prophet Muhammad or Jesus? ~The GR 9-COL #4016

John Mackay. Audio CD. Moses prophesied in Deuteronomy 18 concerning the coming of "a prophet like Moses." Islamics believe this to be Muhammad. Similarities and differences between Mohammad and Jesus. 2006

Public School Presentation HS-COL #6130

Kent Hovind. Discusses "... dinosaurs and the age of the earth in an actual public school with no mention of God or the Bible." (per producers)

Puzzle of Ancient Man: Evidence for Advanced Technology in Past Civilizations (3rd ed.) GR 10-COL #1147

Donald Chittick. Pop culture has led us to believe that ancient man was primitive, originating from primates and steadily improving through an evolutionary process of time and chance. But does that agree with reality? examines details of technology, evidence of ancient machine power, and optical technology possessed by ancient people. (AIG) 2006 274 pg.

***Quest for Noah's Ark ~The GR 4-COL #6218**

Richard Blair. "New expeditions and scientific investigations using satellites, computers, and aerial spy cameras" have been used to attempt to find the ark. Some claim to have seen it! "Filmed in U.S.A. and Turkey. Based on a Book by Charles E. Sellier and David W. Balsiger. 1999 92 min.

Question of Age, A GR7-COL #5158

Jason Lisle, Larry Vardiman, Fazale Rana, and Hugh Ross. A conference on creation held at the First Evangelical Free Church in Fullerton, California, on April 29, 2006. 2006 190 min.

***Question of Origins ~A HS-COL #6217**

Duane Gish, Gary Parker, John Morris, Roger Oakland, et al.. "... provides overwhelming evidence in favor of Creation... thoroughly exposes the blind speculation and evolutionary bias in ... Cosmology, Chemistry, and Biology. ..The Bible is the only Holy Book in the world that is scientifically accurate. ..This video is essential for anyone who has questions or doubts concerning the scientific accuracy of the Bible." (Cover) 1998 60 min.

Questions and Answers GR7-COL #6341

Kent Hovind. The final seminar covers a variety of topics including radiometric dating, the speed of light in relation to star distance, "primitive man", race origins, the mark of the beast, and supposed contradictions in the Bible. [DVD:5176] 2002

Title - Age Level - Catalog

Questions and Answers (2 DVDs) GR 8-COL #5176

Kent Hovind. "...wide variety of topics including radiometric dating, [how can] starlight [reach earth in 6000 years if the sources are over 6000 light years away], 'primitive man', race origins, the mark of the beast, alleged contradictions in the Bible, and many more." (Per the producer) (OK to copy, unedited, for free distribution only.) 2012 2.5 hr & 3 hr

Questions of Origins GR 8 - COL #5207

Ron Carlson. Two presentations at the Worldview Weekend Family Reunion 2008. Part 1: evidences from cosmology, chemistry, biology that refute evolutionism. Part 2: geology, mountain formation, dinosaurs, global flood. Dr. Carlson is both very understandable and humorous. 2008

Racial Reconciliation in the Church GR 7-COL #2071

Charles Ware. Evolutionary theory has pseudo-justified racism, making it seem scientific. But what about racism taught by supposedly Biblically-based Christians? What does Scripture say about human "races"? White and Black Christians need to clean our own house! 2001

Racism: Is There An Answer? GR 7-COL #6329

Carl Kerby. "... Light from God's Word and from real science on the truth about so-called 'races': we all share a common ancestor in Adam!" 2003 45 min.

Radioactive Dating and a Young Earth: How nuclear physics supports the Bible's timeframes GR 11-COL #5198

Jim Mason. Is radiometric dating really proof that the earth is billions of years old as evolutionists claim? What about the evidence from radioactive decay that the earth is actually only about 6,000 years old--just as the chronologies in the Bible indicate? Quite technical. 2013 54 min.

Radioactive Decay Update: Breaking Down the Old-Age Paradigm GR 10-COL #5112

Keith Wanser. Dating techniques are at the cutting edge of the debate over an 'old earth.' The decay rate of radioactive elements is at the heart of modern claims about an old age for earth. Dr. Wanser reveals astonishing facts that are shaking the foundations of this paradigm. 2004 52 min.

Radioactive Decay Update: Breaking Down the Old-Age Paradigm COL #6334

Keith Wanser. Extremely technical and fast-paced discussion of research impacting the assessment of the age of the earth and universe. Speed of light decay, speed of gravity, migration of parent and daughter elements into rock being dated, etc. A background in calculus and college physics would be helpful to understand this. 2003 52 min.

Radioisotopes and a Young World GR 10-COL #6307

D. Russell Humphreys. Radiometric dating has been claimed to be the scientific, irrefutable source of absolute dates of events in geologic history: formation of the earth, rock and fossil layers, and ancient artifacts. Humphreys explains the inherent problems with radiometric dating methods. 2001 75 min.~

Radioisotopes and the Age of the Earth GR 10-COL #5058

Steven Austin. Critique of radiometric dating methods that have been used to date rocks and fossils as millions of years old. Demonstrates that the scientific facts are better explained by the Biblical model of a worldwide flood and a "young" earth. Dr. Austin also explains what led him to abandon the Old Earth position. 2004 38 min.

Title - Age Level - Catalog

Radiometric Dating GR 12-COL #6288

Ian Taylor. Very good, in-depth explanation of radiometric dating methods and their problems. Very technical. Visuals poorly captured on camera. 2001 67 min.

Raging Waters: Evidence of the Genesis Flood in Australia GR 6-COL #6320

David Aikman, Andrew Snelling, Graeme Watmuff, Phillip Hohnen. "Evolutionary science claims that no major catastrophes have struck the Earth in recent times, yet legends of Australian Aborigines speak of catastrophic events in recent history. The Genesis account also tells how almost all land life was destroyed in a devastating global flood. . . .geologists . . . present evidence that Uluru, in the heart of the red desert, was formed rapidly and recently in torrential flooding. . . ." 1998 27 min.

Raising Godly Children in an Ungodly World HS-COL #6224

Ken Ham. "This hard-hitting message by Ken Ham examines the significance of the family in relation to the book of Genesis. What does the Bible say about raising children? What is the role of the father as spiritual head? What is true Christian education? This video will help parents answer many of the objections people have to homeschooling and Christian schooling." (Cover) 1996 68 min.

***Raising the Allosaur GR 4-COL #5014**

Doug Phillips. True story of a group of home schoolers participating in a "dino dig" in Colorado, unearthing all or parts of a stegosaur, a 120-foot brachiosaur, and the most complete allosaur ever found! Buried with the allosaur were unfossilized remains of plants, that could not have remained unfossilized for millions of years, the fossil's age as claimed by evolutionists. Professionally-filmed on location. 2002 70 min.

Real Roots Video ~The GR 6-COL #6319

John MacKay. Filmed on location worldwide! What caused human "racial" differences? How could we all come from two original people? Some of the topics: African Adam, Designer Genes, Our Chinese Feet, Black Before Africa, Babel's Witchcraft, Human Devolution, Snake Worship, Tribal Truths, Created Skin, Lip Evidence, Genesis Genius, Techno-Crash, Winning the Human Race 1996 35 min.

Reasons for Hope In the Mosaic of Your Life GR 9-COL #1148

Carl Kerby. As you learn how God radically transformed Carl's life, you will catch Carl's passion—for God's Word, for the Gospel, and for giving answers [to common objections to Christianity].... Most important, you will discover how God can use you to change countless lives: by giving reasons for our hope to a lost and dying world. (from RforH.com) 2011 240 pg.

Rebirth of America ~The HS-COL #1049

Nancy DeMoss, Ed.. America's spiritual history from its founding to the present. Hard to put down. Uses short segments on topics of current interest. Many photos. Shocking demonstration of how far we've come from our roots! 1986 256 pg.

Recent (1992) Developments on the Paluxy HS-COL #6153

Don Patton, Paul Ackerman. The Paluxy River bed in Texas is the site of what appear to be human and dinosaur tracks, in the same layer and overlapping. They occur in sediments that have been freshly exposed. Many creationists have set this evidence aside due to changes that have recently appeared in some of the tracks. Also has brief segment by a psychology professor who's researching how unbiased viewers would identify the prints. Video quality is mediocre, but good presentation. 1992 88 min.

Reconciliation Rooted in Redemption and Guided by Revelation GR 6-COL #5030

A. Charles Ware. "When it comes to the issue of 'race,' you'll never think the same way again! Dr. Ware, the president of a multiethnic college and pastor of a dynamic, multiethnic church, explains how Genesis has the key to resolving conflicts between the so-called 'races.'" 2004 65 min.

Red River of Life GR 4-COL #6041

Irwin Moon. (MV): "The most complex factory ever designed is the human circulatory system. Rare footage shows how blood is the body's lifeline--a perfect picture of how Christ's shed blood is the source of life." 1957 28 min.

Red Sea/David and Saul GR 3-5 #6204

Animated. In "The Red Sea," Mr. Fixit tells his young friends about God's power to create a path in the ocean, and in "David and Saul" the subject is victory through forgiveness, not revenge. Ancient film, but good lessons. 13 min x 2

Refuting Compromise COL #1090

Jonathan Sarfati. Survey of evidences for the accuracy and reliability of the Bible, from science and history. Chapters deal with "Authority of Scripture," "Days of Creation," "History of Interpretation of Genesis 1-11," "Order of Creation," "Big Bang and Astronomy," "Origin of Death and Suffering," "The Created Kinds," "Global Flood and Noah's Ark," "History of Mankind," "Biblical Old-Age Arguments," "Science and the Young Earth," "Refuting Old-Earth Arguments." 2004 411 pg

Refuting Evolution HS-COL #1062

Jonathan Safari. This book was written to provide answers to the anti-creationist book "Teaching about Evolution and the Nature of Science." It is aimed primarily at those dealing with the evolution establishment in schools, but its concise, timely reports are useful to anyone wondering about modern purported evidences for evolution. 1999 143 pg.

Relevance of Creation HS-COL #2027

Ken Ham. This tape was sent to pastors to interest them in an upcoming "Back to Genesis" seminar. Never boring!

Relevance of Genesis ~The HS-COL #2070

Ken Ham. Hard-hitting talk on why Christians need an understanding of Genesis as written, and where the churches that deny basic New Testament doctrines started to go wrong -- by denying the literalness of Genesis. Audio quality is poor.

Relevance of Physics, Cosmology & Astronomy for Young-Earth Creation ~The GR 12-COL #5117

Keith Wanser. One of the world's leading scientists in creation research, Dr Wanser shows exciting evidences from physics that support the belief that the earth is only a few thousand years old! (High School-Adult) 70 mins. 2003 70 min.

Relevance of Physics, Cosmology & Astronomy for Young-Earth Creation ~The GR 10-COL #6335

Keith Wanser. One of the world's leading scientists in creation research, Dr Wanser shows exciting evidences from physics that support the belief that the earth is only a few thousand years old! 2003 70 min.

Religion of Secular Humanism: Clergy in the Classroom~The GR 7-COL #6328

David Noebel, Kevin Bywater, Tom Eckblad, Del Tackett. Documentary. Demonstrates that "Secular" Humanism is a real religion, as stated in Humanist Manifesto I of 1933, and its proselytizers are public schools. Examines its origins and societal consequences. Based on the book of the same title. 1998 40 min.

***Religion vs. Christianity GR 7-COL #6082**

Chuck Smith, Caryl Matrisciana. "...study of the world's major religions ... compare Christianity with other religious philosophies by contrasting their religious writings, examining archaeological and historical evidence, and examining claims of prominent religious leaders." Very well-done. 1991 48 min.

Remarkable Record of Job ~The HS-COL #1069

Henry Morris Jr.. "...the account of Job... is one of the most historically and scientifically accurate records of the ancient world. Perhaps the oldest book in the Bible, the Book of Job touches on many subjects of science and history.... This commentary ... attests to the historicity of a man ...who understood at the end of his life that God cannot be "figured out," but He can most certainly be trusted." 2000 146 pg.

Remarkable Record of Job ~The HS-COL #6070

Henry Morris Jr.. Job is probably the oldest book in the Bible. It not only contains accounts of probable dinosaurs, but sheds other light on creation. Good information, but the presentation is not very lively. 1991 40 min.

Respiratory System~The [Parts 1&2] GR 6-COL #5190

David Menton. Dr. Menton takes two teens on a teaching-tour through the major systems of the body ...Humorous and insightful talks that leave audiences in hushed awe at the Creator's wisdom. Menton employs anatomical props, models, and microscopic images to teach about God's amazing designs for life. 2011 38/33 min.

Riddle of the Dinosaurs ~The K-GR 6 #5033

Mike Riddle. Lecture for kids, with animations and humor! Teaches kids to think critically as Mike covers when dinosaurs were created, how many kinds were there, were dinos on the Ark, and much more. ALSO contains a message fro Mike to parents on answering more technical questions kids might ask, such as theories of dinosaur extinction, why aren't human bones found with dinosaur fossils, etc. 2005 62 min.

Roaring Waters GR 6-COL #6189

Narrated. "As your family watches powerful storms, flooding rivers, and crashing tidal waves, you will marvel together at the power of God's creation. . . You'll learn why tides ebb and flow like clockwork, the source of thunderstorms, and why, if you live on a flood plain, you should never let your guard down!" 1995 43 min.

Rock Strata, Fossils, and the Flood GR 6-COL #5181

Andrew Snelling. If the global Flood cataclysm really occurred as described in Genesis 7-8, then what evidence would we look for? Wouldn't we expect to find billions of dead plants and animals deposited rapidly by water in rock layers all over the earth? In this illustrated lecture, Dr. Andrew Snelling demonstrates that is exactly what we find. 2007 47 min.

Rocks and Ages: Do They Hide Millions of Years? GR 10-COL #5119

Emil Silvestru. Explains the assumptions that govern what geologists "see" in the rock record. Compares the facts of science with the 2004 65 min.

Rocks Around the Clock: the eons that never were GR 10-COL #5116

Emil Silvestru. Dr. Silvestru investigates geological "anomalies" that secular scientists avoid ... because they conflict with the idea of evolution! A tree fossilized in layers of rock supposedly laid down thousands/millions of years apart! Pollen fossils in rocks supposedly formed before pollen-bearing plants! He shows how they fit in the Biblical history of a young earth. 2006 53 min.

Rocks of Ages or Rock of Creation? GR 10-COL #5023

Larry Vardiman. "...report on the largest research project in the history of creation research--Radioisotopes and the Age of the Earth (RATE). Researcher Larry Vardiman shares astonishing findings that support a recent creation and shake the foundations of old-earth dating." 2004 60 min.

School Ideas HS-COL #6129

Kent Hovind. "Miscellaneous ideas used by Kent Hovind (PhD in Education) to improve: classroom discipline, physical education, playground equipment, homework, testing, etc." (Per the publisher)

Science & Creation GR 11-COL #1059

Henry Morris Jr., John Morris. An overview of the scientific case against evolution: we don't see it happening NOW, it isn't seen in the fossil record of the PAST, geological data are better explained by a worldwide flood, and we have more evidence for a young earth than an old one -- for starters! Biology, geology, paleontology, astronomy, earth-dating methods, etc. 1996 343 pg.

Science and the Christian GR 4-COL #6159

Narrated. Divided into 4 sections: 1-Defines science, 2-explains the scientific method, 3-gives the limitations of science, 4-contrasts the creation and evolution models, and shows that both creationists and evolutionists rely on faith. 1993 48 min.

Science Confirms the Bible: Ken Ham Speaks to Teens Gr 6-COL #5180

Ken Ham. Ken Ham tackles the biggest creation/evolution questions that he's constantly asked by teens. Over a dozen "hot topics" are answered with the humor and intensity that has made this Australian-born educator one of the most-requested Christian speakers in America. 2012 58 min.

Science, Scripture, and the Young Earth HS-COL #1028

Slaughter of the Dissidents | Persuaded by the Evidence GR 8 - COL #5105

Jerry Bergman, Donn Chapman. 2 shows on one CD. "Slaughter of the Dissidents" is based on his book of that title, documenting many cases of academics who were fired strictly because they doubted macro evolution! Solution: we need laws to protect academics from discrimination based on their ideas! "Persuaded by the Evidence" is another of Bergman's books, this time detailing how several atheistic/agnostic scientists came to faith in a Creator based on scientific evidence itself, refuting the charge that "No REAL scientists doubt Darwin!" 30 min. each

***Slaughter of the Innocents/Death by Someone's Choice HS-COL #6183**

Francis Schaeffer, Everett Koop. "Slaughter" points out that the current killing of born babies is a logical extension of abortion. "Death by Someone's Choice" projects the future for the elderly and unwanted if the trend continues. 50 min.

Society & Creation GR 11-COL #1060

Henry Morris Jr., John Morris. Traces evolutionism's origins back long before Darwin, and demonstrated that acceptance of evolution as a "fact" has altered how we "do science," and caused a "Civil War of Values" in Western culture. Evolutionism has justified the sexual revolution, racism, radical feminism, and emasculated the Church! How? 1996 203 pg.

Sodom and Gomorrah: Legend or Real Event? GR 8-COL #6250

Various scientists. The sites of Sodom and Gomorrah are now apparently known, and archaeology demonstrates that the details of their destruction agree with the Biblical account. Dramatization and interviews with archaeologists both pro- and anti-Biblical. Please READ GEN. 18-19 FIRST FOR THE REAL STORY! Transformed by the evidence: Testimonies of Leading Creationists GR 10-COL #1152

Doug Sharp, Jerry Bergman, Eds.. For many of the authors, the challenges presented by the theory of evolution and painful life experiences and losses, have become stumbling blocks that were difficult to overcome. When one asks "How could God allow this?," or when confronted with claimed evidence that the Bible is mythology, the scientific evidences have upheld the faith of many. 2014 223 pg.

Treasure Hunt/Animals Move/The Eight-Legged Engineer GR 2-6 #6044

Narrated. (MV): "Take a spectacular trip deep into the earth to see some of God's seldom-seen wonders...find out how animals of every description move...and pay a fun visit to the poor, misunderstood spider--one of God's most productive and least appreciated creations..." 1988 10 min x 3

Tree Rings, Dating and Changing Climates GR 9-COL #5168

Geoff Downes. Weather affects tree growth rings, but is weather the only explanation for wider/narrower rings? Is only one ring produced each and every year? Tree-ring studies are used to support an ancient earth, and are used to argue for man-made climate change. This tree scientist explains the facts. 2009 51 min.

Triumph of Design ~The GR 8-COL #6269

True Account of Adam & Eve~The GR 6-GR10 #1142

Ken Ham, illus. by Bill Looney. The church is now debating the validity of Genesis as history, the reality of hell, and even if Adam was a real person. Trying to change the biblical time-line to fit with the secular concepts of millions of years has led many in Christian academia to reject the literal interpretation of the Bible itself. This beautiful book clearly illustrates the truth about the first man and woman and how their disobedience led to our need for Jesus Christ! 2012 64 pg.

True History of the World: Part 1 ~The HS-COL #6045

Ken Ham. (CLP): "Beginning with the historical account of civilization, the events in Genesis can be trusted as literal accounts." Very similar to "A Walk Through Genesis -- Part 1." 198? 50 min.

True History of the World: Part 2 ~The HS-COL #6046

Ken Ham. (CLP): "Discover how last-day prophecy from II Peter 3 is being fulfilled before our own eyes." VERY similar to "A Walk Through Genesis -- Part 2." 198? 55 min.

Truth & the Transcendent: The Origin, Nature, & Purpose of Mathematics GR 11-COL #1078

Larry Zimmerman. On the philosophy of mathematics, or, "WHY is 2 + 2 always 4?" How can Christian schools "integrate mathematics with faith?" What's there to integrate? Math seems so disconnected from anything, yet is part of everything, from cooking to science to philosophy. Lively treatment of an esoteric topic. 2000 72 pg.

Ultimate Proof of Creation: Resolving the Origins Debate GR7-COL #5153

Dr. Jason Lisle. Dr. Lisle goes beyond the battle over "evidence" and shows why secular worldviews cannot stand up to logical scrutiny, and how only the Christian worldview can account for the world we live in. 2009 58 min

***Ultrasound: "A Window to the Womb" GR 6-COL #6088**

Sheri Richard. Amazing footage of the activities of unborn children. Too persuasive to be allowed to be shown to congressmen considering "Freedom of Choice Act!" The presenter also discusses her own abortions, done before she'd seen unborn children on ultrasound. 1991 55 min.

Understanding Genesis Study Guide HS-COL #1019

What About the Ice Ages? Plus 14 other questions GR 9-COL #4015

John Mackay. Includes: Where did Cain get his wife? Was Noah's flood world-wide? Does radioactivity prove the world is millions of years old? How did Noah fit the animals on the Ark? What about the Big Bang theory? How could God make the universe in just 6 days? Do babies show evolution as they develop? What about new theories of evolution? And more! 2002 2-CDs

What Are They Teaching Our Children? HS-COL #1030

Mel & Norma Gabler, James Hefley. Very readable account of the Gablers and their fight to reform the anti-traditionalist textbook industry. Even liberals are concerned when shown what's in textbooks! 1985 192 p.

***What if Jesus Had Never Been Born? GR 7-COL #6316**

D. James Kennedy, comments by many others.. The effects of Christ and the Bible around the world: Christ's teaching of the value of every human being as made in God's image has resulted in almost all of the organizations dedicated to the welfare of the poor and sick, and ended slavery. A belief that God's Word was to be read by all gave us education for the masses - including females. Belief that women were likewise in God's image elevated females from property status to having legal rights and respect. Much of the art, music and literature of the world came from Christianity and the Bible. Modern science came out of Christian thinkers who saw the universe operating under laws given by the Creator. Much more! First-rate videography, filmed on 4 continents. 2003 48 min.

***What Is Creation Science GR 10-COL #1092**

Henry Morris Jr., Gary Parker. Tackles the claim that "evolution is science and creation is religion," with logic and scientific evidences. This is so clearly handled that the book makes a great gift to friends who are willing to investigate the claims of creation! 1987 331 pg.

What is Evolution and Why Does it Matter GR 11-COL #2043

Phillip E. Johnson. "...Illustrates how shifting definitions of evolution, creation, and science [have] led to confusion and controversy. Pulpit Rock Church, Colorado Springs, CO, Dec. 1991" (ARN) 1991 90 min.

What Is Man? HS-COL #6099

John C. Whitcomb. The differences between man and God, and man and animals. 50 min.

What is NOT Evidence for Evolution GR 10-COL #6284

Duane Gish. Six lively, cogent arguments for Intelligent Design: artificial selection of genetic traits does not equal natural selection; peppered moths and Galapagos finches have not evolved; the woodpecker, Monarch butterfly and bombardier beetle have multiple specialized parts that ALL must work, or none is of use. Graphics are adequate. 2000 44 min.

What is the Only Answer to Racism? GR 6-COL #6326

Ken Ham. A thorough understanding of Scripture's view of human "races" undercuts racism. Darwinism gave racism a pseudo-scientific undergirding, and a major impetus to get rid of "less-fit" people groups. Even some Christian groups have held racist beliefs, such as in a curse on all Black people, which never existed! 2000 30 min.

What Is Time?/How Old Is the Earth: 6,000 or 4,600,000,000? HS-COL #2033

Kent Hovind. Did God really intend us to interpret the creation account in Genesis as meaning a literal supernatural creation within 6 ordinary days? Haven't scientists proved the earth is 4.6 billions years old? 30/30 min.

What Really Happened to the Dinosaurs? GR 1-3 #1010

Ken Ham, John Morris. Creation, the fall, the flood, and the possible explanations for the absence of dinosaurs today. Very attractive and informative! 1990 32 pg.

What Really Happened to the Dinosaurs? GR 4-8 #6047

Ken Ham. Ken enjoys teaching a group of children to think Biblically about dinosaurs and when they lived. Did they exist with men, or much earlier? Did they go on Noah's Ark? 1990 40 min.

***What Really Happened to the Dinosaurs? GR 4-6 #6265**

Ken Ham. Newer version of Ken's talk on what happened to the dinosaurs. Did they actually live with men? Graphics are excellent. 1994 53 min.

What the Genesis Text Really Says About Creation HS-COL #5083

Douglas Kelly. The language of Genesis, written in Hebrew, allows only one interpretation of God's creation: it was six 24-hour days. Dr. Kelly, a theologian, carefully explains why long-ages interpretations are not the author's intent! 2004 73 min.

What the Genesis Text Really Says About Creation GR7-COL #5138

Douglas Kelly. The language of Genesis, written in Hebrew, allows only one interpretation of God's creation: it was six 24-hour days. A respectful theologian and scholar, Dr. Douglas Kelly carefully explains the relevant passages of Scripture, leaving doubters without excuse. 2004 73 min.

What Would Jesus Believe? / Dating Methods/Intelligent Man and Dinosaurs GR 7-COL #5095

Ian Juby. Part 7: Theology of the debate, showing how the scriptures, Jesus Christ, and the Apostles leave no room for any other interpretation but a recent creation. He then introduces dating methods. Part 8: "Absolute" dating methods used on rocks are fraught with error. Compelling evidence that man and dinosaurs lived together. 2008 28/28 min.

When Dragons' Hearts Were Good PRE-GR 3 #1063

Buddy Davis. A very fictionalized account of the original world, when the dinosaurs and other animals were friendly. On the enclosed music CD, Buddy Davis reads and sings the words of this book. It ends with a simple presentation of the Gospel, to help you lead a child to Christ. 1999 40 pg.

When Two Worldviews Collide HS-COL #6216

John Morris. "Evolution insists that life evolved by random chance. There is no God and no Designer of life to set moral absolutes. Parents, educators, and church leaders must awaken to the struggle Christians, especially students, face living in today's society dominated by the evolution worldview." -ICR 26 min.

Where Did the Races Come From? GR 10-COL #6337

Ken Ham. Ken clearly explains, from science and the Bible: That all humans are descendants of one man and one woman! Who Cain married! How to use basic genetics and biblical history (such as the event of the Tower of Babel) to explain the origin of the so-called "races." All humans basically have one skin color! Why the gospel can be preached to every tribe and nation. That the human population is divided into "people groups," not "races." 32 min.
