

# Doubts about Darwin?

Not buying the Big Bang?  
Curious about creation?

Midwest Creation Fellowship helps you consider the evidence each month with lectures on the Bible, dinosaurs, fossils, astronomy, geology, Noah's flood, apemen, and more!

April 6, 2010 meeting:

Speaker: Jim Orme

Subject: Making Sense of Science: Creation, Evolution,  
and the Bible

Time: 7:00 PM social time, 7:15 PM program begins

Location: Wheaton Public Library, 225 N. Cross Street
